Ike Warns of Complacency in Future

DOUGLAS B. CORNELL
WASHINGTON (AP) — President Eisenhower described America today as standing at unprecedented heights, and asked prayers that future leaders will be able to keep this nation strong and at peace.

In a farewell State of the Union message, the 70-year-old President reviewed for Congress the years of his administration and saw them as a period in which this country forged ahead in foreign and economic policies.

But he solemnly noted that grave problems will confront the incoming administration of President-elect John F. Kennedy—"The continuing Communist menace in many parts of the world and economic pains which leave 'little room for complacency.'"

"I do not close this message implying that all is well—that all problems are solved," Eisenhower said. "For progress implies both new and continuing problems and, unlike presidential administrations, problems rarely have terminal dates."

Eisenhower's 6500-word message was one of a series of leave-taking statements before he turns the reins of government over to Kennedy on Friday of next week.

The White House announced that Eisenhower will make a farewell address to the nation over radio-TV networks next Tuesday.

Weather

Experiment Station report for 24 hours ending at 7 a. m. Thursday: High 61, Low 29; Precipitation during 1960, 47.92 inches; rainfall during the previous year, 46.57 inches.

Arkansas Regional Forecast

By THE ASSOCIATED PRESS

Central, northeast and northwest: Partly cloudy with little change in temperature this afternoon, tonight and Friday. Saturday partly cloudy and mild. Highs today upper 50s to low 60s central, near 60 northeast and northwest. Lows tonight upper 20s to low 30s central, in 20s northeast and northwest.

Southeast and Southwest: Partly cloudy with little change in temperature this afternoon, tonight and Friday with occasional light rain south portion tonight and Friday. Saturday partly cloudy and mild. Highs today low to mid 60s southeast, upper 50s to mid 60s southwest. Lows tonight upper 30s to mid 40s.

ARKANSAS — Partly cloudy this afternoon, tonight and Friday with occasional light rain south portion tonight and Friday. Highest this afternoon upper 50s to mid 60s. Lowest tonight low 20s north to mid 40s south portion. Highest Friday mid 50s to mid 60s.

LOUISIANA — Mostly cloudy with occasional rain and a few thundershowers this afternoon, tonight and early Friday. No important temperature changes. Highest this afternoon and Friday 54-58. Lowest tonight in the 40s.

Break Ground for New Corn Belt Hatchery

GROUND WAS BROKEN AT 10 O'CLOCK THIS MORNING for the new hatchery building of Corn Belt Hatcheries of Arkansas, just east of the home office on Rocky Mound Rd.

IN THE PICTURE, LEFT TO RIGHT: CLIFF BRIDGERS, president of Hope Chamber of Commerce; Frank Douglas, mayor of Hope; Mrs. Freda R. Greenan, president of Corn Belt Hatcheries; and Frank McLarty, president of Hempstead County Industrial Foundation.

THE NEW HATCHERY BUILDING, A BUTLER-TYPE structure, will measure 190 by 60 feet. It will house 10 incubators with a capacity of 99,000 eggs each, and the plant is expected to be in operation by March. The old hatchery operation in downtown Hope, which Corn Belt sold last year, had 11 incubators with a capacity of 65,000 eggs each.

Laotian Pilots in U.S. Planes Hit Rebel Positions

By ROY ESSOYAN

VIENTIANE, Laos (AP)—Laotian pilots, flying hastily armed U.S.-made trainer planes, strafed and bombed pro-Communist rebel forces Wednesday and today in the first air raids of the Laotian civil war.

British, French and other European diplomats in the Laotian capital expressed grave concern the air raid—first reported in the six-year-old civil war—would trigger a retaliatory action by the Soviet Union or Communist China.

The Laotian pilots made their raid in four T-6 observation planes armed with rockets, machine guns and presumably with two 100-pound bombs each. The United States had delivered the planes to pro-Western Premier Boum Oum's forces Tuesday as part of the U.S. military support program for Laos.

Boum Oum's government had warned the Soviet government Monday that unless it halted its airlift of arms and ammunition to Capt. Kong Le's pro-Communist rebels in central Laos, it would take "appropriate steps."

Alternate Harbor Plans Offered

PINE BLUFF, Ark. (AP)—Alternate harbor construction plans will be discussed at a public hearing of the Pine Bluff Port Authority this afternoon.

Plans for constructing Arkansas River harbor facilities must have public approval before being presented to Army Engineers.

All Around Town

By The Star Staff

Today's March of Dimes coffee is being held at the Diamond Cafe tomorrow, Friday, the benefit will be held at the Plaza. All money from the sale of coffee will be turned over to the March of Dimes.

Ed Thrash, Bill Tolleson and James Puryear went to International Harvester's truck showing in Little Rock Tuesday and each won a door prize and an additional prize was given to each of the district winners. Mr. Thrash being the winner from his district. Bill Tolleson was the grand prize winner, thus the three Hope men won three big prizes.

Miss Julia Peck, daughter of Mr. and Mrs. George W. Peck of Hope, has pledged Beta Sigma Beta social sorority at Stephens College in Columbia Mo. Miss Suzanne McNeill of Hope is among the students to be presented in the mid-winter organ and piano recital at Arkansas College, Jan. 19. Miss McNeill, daughter of

'Invasion' Cry Dropped by Cubans

By ROBERT BERRELLEZ

HAVANA (AP)—Predictions of a "Yankee invasion" were dropped from the front page of the semi-official paper Revolution today and replaced by an announcement of plans to build 20,000 government homes for workers.

This report was given banner-headline prominence, although the newspaper continued to drum up enthusiasm for Friday night's grand march to the presidential palace as a show of support for Prime Minister Fidel Castro's government against any threat of "Yankee aggression."

Castro is expected to address the meeting. Diplomats here predicted he would then claim—as he has in past invasion scares—that would-be invaders had been frightened away by a massive demonstration of Cuban power plus the support of the regime's friends throughout the world, including the Soviet Union.

A distinct slump has been noted in military activity around Havana.

There are not as many civilian militiamen and militiamen on the streets. Many of the new Czechoslovak guns that had lined the southeast boulevard pointing toward the United States have been withdrawn.

The press and radio now are appealing for volunteers to bring in the sugar crop. Cane harvesting has been lagging because of bad weather and the call-up of the island's best workers for militia duty.

\$14 Million in State Farm Loans

LITTLE ROCK (AP)—M. J. Mills, state director for the Farmers Home Administration, said Wednesday that Arkansas farm families received \$14,426,446 in loans from the administration during 1960.

Mills said this represented an increase of nearly \$300,000 over the previous year.

Youth Killed, Two Injured in Wreck

HOT SPRINGS, Ark. —Johnny Boyd, 17, of Rt. 4, Hot Springs was killed and two other teenagers injured when the car in which they were riding left U. S. Highway 70 and overturned about 10 miles east of here Wednesday night.

Ronnie Meeks, 18, of Peary, and David Nixon, 18, of near here were hospitalized with injuries. State Trooper Glenn Minton said. Meeks was the driver of the car, Minton said.

Hope School Budget Just Balances

Hope District 1A school budget for the 1960-61 term shows estimated revenues of \$306,322 and estimated expenses of \$306,322. This estimate is based on assessed valuation of \$8 million and a 35 mill rate of tax.

This local revenues are estimated at \$259,939; turnback from the state \$222,908, miscellaneous \$25,185 and a cash balance as of July 1, 1960 — a total of \$508,322.

Expenditures are itemized as follows: Instruction costs estimated at \$129,000. This is for all salaries of 106 persons including teachers substitutes, officials and supplies.

The budget figures administration cost at \$18,025. This includes salaries for superintendent, cook-keeper, clerks, travel for faculty, postage, printing, NCA membership fee, school enumeration and general office expenses.

Operation of plant is estimated at \$25,150. This covers maintenance of buildings, grounds, repairs etc.

There is an expenditure of \$4,000 annually on building insurance and other established charges in the district.

Auxiliary service cost \$29,000. This varies from year to year but includes transportation of students, purchase of new buses, salaries of 15 contract and district drivers.

Capital outlay includes equipment, sites, building alterations and additions and \$1,300 is set aside for this.

The debt service costs \$39,041 annually and is set aside for payment on principal and interest for school bonds.

So on a basis of the budget figures, released by Supt. James H. Jones, Hope School District 1A will close the 1960-61 school year in the black by \$4,836.

Some of This Is Good Advice

MEMPHIS (AP) — Some fine mottoes offer advice in various city and county offices here.

A few samples: "If at first you don't succeed... You're fired."

"Your visit has climaxed an already dull day."

"Oh Lord, help me keep my big mouth shut until I know what I am talking about. Amen."

"Anyone who enjoys work can certainly have a hell of a time in this place."

And, in the office of Mayor Henry Loch, a stickler for accuracy: "Accuracy is my motto — I never make mistakes."

Violence Erupts at Georgia U., 2 Negro Students Suspended

Proposes to Cut Number of State JPs

LITTLE ROCK (AP)—A proposed constitutional amendment to drastically reduce the number of justices of the peace in Arkansas counties was introduced in the House today by Pulaski Rep. Ben Allen.

The proposal provides that one JP shall be elected for each 5,000 residents, although each township, however small, shall have two justices.

Present law provides one justice of the peace for each 200 votes cast in the preceding gubernatorial election. In some of the larger counties, this resulted in huge and unwieldy quorum courts.

A bill introduced in the House today by Conway County Rep. Clay Brazill would require doctors, dentists and hospitals to furnish patients with copies of their medical and dental records.

Craighead Rep. John States introduced a resolution which would set up a committee to study the possibilities of establishing a state park in the vicinity of Indian mounds in east Arkansas.

Van Buren County Rep. M. H. Evans introduced a bill which would make grave-robbing a felony and provide for a prison term of up to 21 years.

Evans' bill was inspired by a recent grave-robbing case at Jacksonville.

Landowners Seek to Evict Sharecropper

MEMPHIS (AP)—Sixteen Maywood County, Tenn., landowners have asked federal court for permission to evict Negro sharecroppers for legitimate reasons.

A court order now bars any evictions before trial of a civil rights suit—unless it can be shown that the action has nothing to do with the Negroes having registered to vote.

In petitions filed Wednesday, the landowners said their eviction notices were due to farm mechanization, changes in farm management or unsatisfactory work.

District Judge M. S. Boyd has set Jan. 16 to hear pleas from landowners who "are hurting the most" because of the ban against evictions.

The 16 landowners are among 77 Maywood County defendants named in a civil suit filed by the Justice Department accusing them of conspiring against Negroes who register to vote.

No trial date has been set for the suit, which seeks a permanent injunction against what it calls a conspiracy to drive Negro voters out of the county.

A similar suit is on file against 32 landowners, merchants and bankers in Fayette County, Tenn., announced by Oakerest.

Conway Raises City Payroll

CONWAY, Ark. (AP)—The Conway City Council has voted \$15 monthly salary increases for 25 members of the police, fire and public works departments.

A general budget of \$86,750 and a street budget of \$54,285 also were approved by the council.

Sheriffs to Take Pay Bill to Lawmakers

LITTLE ROCK (AP)—The election of officers will highlight the closing session of the Arkansas Sheriffs Association convention today.

The officers Wednesday approved plans to submit to the Legislature a proposed constitutional amendment to remove the salary limit for county sheriffs.

Proposed Amendment 50—which would have allowed salaries of county officials to be doubled—was defeated in the Nov. 8 general election.

The new proposal would establish a salary scale based on population. The scale would range from the present \$5,000 maximum to a new top of \$10,000.

The association also approved other measures for submission to the legislature.

Proposals included: 1. Registration of firearms and permits for the purchase and sale of pistols.

2. Authority for county judges, in the absence of a probate judge, to order insane persons committed to the State Hospital.

3. Permit the publication of the names of juvenile offenders and the names of their parents.

4. Authorize juvenile courts to commit offenders to correctional institutions for definite terms instead of indefinite periods.

5. Make municipal courts accessible 24 hours a day.

6. Authorize each county to hire a deputy sheriff for civil defense with his salary to be paid by county, state and federal funds.

G. A. Hobbs, 54, Dies Suddenly Here Thursday

Gallen Allen Hobbs, aged 54, a resident of Hope for many years, died unexpectedly today while at work at Stephens Grocery Company where he was shipping clerk.

Mr. Hobbs had been in the grocery business in Hope for many years, having managed a chain store and operating his own store before joining the wholesale grocery firm. He was a member of the First Baptist Church and was a native of DeQueen.

He is survived by his wife, Mrs. Lucille Hobbs, two daughters, Charlotte Ann Pickett of Los Angeles, Sandra Hobbs of Southern Methodist University, Dallas; two brothers, Noah of Hope and Lester of Little Rock and his father, J. E. Hobbs of Hope.

Funeral arrangements will be announced by Oakerest.

Ball, Hody Butler; Christmas Decoration: Herbert Burns, Emil Kaden, LaGrone Williams; Publicity: Mike Kelly, Henry Haynes, B. N. Holt, Donal Parker.

Judge Rules Governor Can't Hold Up Funds

MACON, Ga. (AP)—A federal judge voided today a Georgia state law cutting off funds to integrated schools and continued an injunction to prevent Gov. Ernest Vandiver and other state leaders from closing the University of Georgia.

ATHENS, Ga. (AP)—Negro attorneys hurried to Macon today to contest in federal court suspension of two members of their race from the University of Georgia after rioting and violence erupted on the campus a few hours after they first attended classes.

The university opened for classes at 8 a. m. without Charlayne A. Hunter, 18, and Hamilton E. Holmes, 19, who were removed from the school early today by state troopers under a proclamation of Gov. Ernest Vandiver that emergency action was needed to restore order.

An uproarious crowd of students and townspeople estimated by police at 2,000 swarmed about the dormitory occupied by Charlayne before university officials and Vandiver acted.

The young Negroes, visibly shaken, reached their homes in a patrol car in the pre-dawn hours. Both declined comment.

Joseph Williams, university dean of students, announced their suspension "in the interest of their personal safety and in the interest of the safety and welfare of the more than 7,000 students at the university."

"They will be withdrawn until such time as the members of my staff and I determine that it is safe and practical for them to return to school," Williams said.

Donald L. Hollowell and other counsel for the students, were to present the suspension order to U. S. Dist. Judge W. A. Boole with a request that it be voided.

Chief of Police E. E. Hardy called Wednesday night's outburst "organized rowdiness, led by strangers from out of the city."

It followed shortly after further tension created by Georgia Tech's 69-60 overtime basketball victory over the university team in a disputed decision.

He said outside agitators capitalized on student liveness built up by the basketball game. Older persons were observed in the crowd, shouting "Come on, let's get them."

The demonstrators threw rocks at the dormitory windows, threw firecrackers starting fires in nearby fields and woods, chanted segregation slogans and yelled "Nigger, go home." Holmes was not a direct target. He lives off the campus.

Police unloosed tear gas bombs at the crowd and firemen hosed down the fires. Some police, firemen and bystanders were hit by flying rocks. One girl was injured slightly.

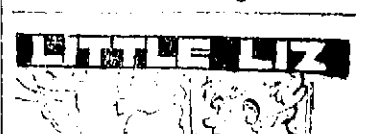

During the disorder a group of cars pulled up at the scene and occupants distributed copies of a Ku Klux Klan newspaper, the Rebel.

All 36 members of the police force at Athens, a town of about 20,000, were used in quelling the riot.

The governor also admonished all citizens of the state against any acts of violence and warned all persons to disperse and return to their homes.

Miss Hunter burst into tears when troopers escorted her from the dormitory and placed her in a car for the 73-mile trip to Atlanta—a journey marking the end, for the time being at least, of the first integration attempt in Georgia.

EGG PRODUCTION LINE—Eggs moving along a conveyor belt typify a new production system at Cargill-Nutrena research farm in Elk River, Minn. Automatic equipment ventilates, feeds, waters, nests, lights and gathers eggs. Slanted floors in nests allow eggs to roll into plastic carriers for trip to gathering room. Misses run less than 2 per cent in the new system as against a normal 8-10 per cent loss.

Bank Changes Name

AMESBURY, Mass. (AP)—The Powow River National Bank is changing its name. After May 1 it will be the Amesbury National Bank, directors decided Tuesday. President Peter F. Smiles recommended the change "to facilitate business transactions."

Friends of Mrs. Frank Turberville will regret to know she is a patient in Wadley Hospital, Texarkana following hand surgery.

Filibuster Fight Victory for South

By JOHN CHADWICK

WASHINGTON (AP)—Defeat in their drive to strengthen the Senate's antifilibuster rule at the outset of the new Congress, Senate liberals took a glum view today of their chances for success later.

"A devastating blow," said Sen. Kenneth B. Keating, R-N.Y., who contend a rules change is necessary to permit passage of meaningful civil rights legislation.

But Sen. Richard B. Russell, D-Ga., leader of Southern foes of the move, hailed the outcome as "a great victory for the sanity, dignity and prerogatives of the Senate."

He also called it a rebuke for Vice President Richard M. Nixon, the Senate's presiding officer until Jan. 20, who sided with proponents of a change on a key parliamentary question.

The controversy, which has tied up the Senate since it convened Jan. 3, was shunted off to the Senate Rules Committee Wednesday by a 50-46 vote.

Democratic senators divided 32 for and 31 against the sidetracking move. The line-up of Republicans was 18 for and 15 against.

A similar liberal-conservative row in the House reached the compromise stage Wednesday. It revolves around the House Rules Committee and its conservative coalition of Republicans and Southern Democrats which in the past often has blocked social welfare legislation.

Speaker Sam Rayburn settled on enlarging the committee as the least painful way of curbing the coalition's power to keep bills locked up in the committee.

Another way would have been to purge Rep. William M. Colmer, D-Miss., a member of the coalition who bolted the Kennedy-Johnson ticket last fall. Under the compromise Colmer will keep his committee seat, but two more Democrats and one Republican will be added to the committee.

This should give the liberal group in the committee the edge in voting.

The Senate motion to refer the dispute to its rules committee for hearings was made by Democratic leader Mike Mansfield of Montana. He had the support of Sen. Everett M. Dirksen of Illinois, the Republican leader.

U. S. Backing Anti-Red Laos Forces

WASHINGTON (AP)—State Department officials said today the United States is backing the pro-Western government of Laos in its use of aircraft as well as ground weapons to defend itself against Soviet-supported rebels.

Other authorities recognized the possibility that the Southeast Asian struggle might be entering a new and more dangerous phase, a new and more dangerous phase, forces, reported from Vientiane today, was the first of the long civil war in Laos.

Reaction of Allied diplomats at Vientiane indicated that Britain and France had strongly disagreed with the United States policy of supplying the planes which made the strike possible. News dispatches quoted the diplomats as saying that the Soviet Union or Red China might retaliate.

That possibility was foreseen here but the State Department insisted the operation being conducted by the government of Premier Boun Oum was strictly defensive. Officials also said that the Soviet Union had been warned in notes sent by the Laos government—and rejected by Moscow—that Laos would defend its frontiers. Soviet planes have airlifted supplies to the pro-Communist rebels.

The United States still hopes for a diplomatic solution of the crisis and welcomed evidence today that Soviet Premier Khrushchev may be thinking along that line also. Khrushchev said the Soviet Union "regards favorably" a proposal from Cambodia calling for an international conference on the situation. The State Department said that proposal is receiving serious consideration here.

Wants Money for Highways Only

LITTLE ROCK (AP)—The Arkansas Highway Users Conference today proposed a constitutional amendment to prohibit use of highway user taxes for any purpose other than roads.

At a breakfast meeting of conference members and legislators, officials said that if the proposed amendment is not one of the three which may be placed in the ballot by the legislature, attempts may be made to have it brought to a vote through petitions.

Frank Potter, Arkansas Automobile Club official and treasurer of the Highway Users Conference,

Voting Machine Bill Proposed

LITTLE ROCK (AP)—A proposed constitutional amendment to legalize use of voting machines in Arkansas elections was introduced in the House today by Pulaski Rep. Jim Brandon.

The General Assembly has, in the past, adopted laws authorizing voting machines and at least one county, Pulaski, has approved them in a referendum.

However, a court ruled recently that the voting machines could not properly be used because they were not sanctioned by the state Constitution.

Brandon's amendment would give constitutional sanction to the machines, but would retain for the General Assembly the right to regulate their use.

Navy to Bring Dependents Home

WASHINGTON (AP)—The Navy plans to bring home about 11,000 of the 40,000 dependents of personnel overseas in the next 19 months.

The 11,000 figure announced by the Navy Wednesday is well below the original schedule suggested by the Defense Department after the program was ordered by President Eisenhower to save dollar-spending abroad.

Defense officials originally wanted to reduce Navy dependents overseas to a total of 17,500.

More Refugees

BERLIN (AP)—Refugees from Communist East Germany in 1960 totaled 199,188, a third more than in 1959.

said the state now does not have a law requiring that revenue from highway user taxes must be spent on highway purposes.

Calendar

Thursday, January 12

The Guernsey P. T. A. will meet Thursday, Jan. 12 at 7:30 p. m. in the school auditorium.

The Baker Home Demonstration Club will meet in the home of Mrs. Bryan Clark, Thursday, Jan. 12 at 7:30, and all members are urged to attend.

Friday, January 13

The Hempstead County Wildlife Assn. has been changed from Thursday night to Friday night, Jan. 13 at the W.O.W. Hall at 7.

Monday, Jan. 16

Circle 5 of WSCS of the First Methodist Church will meet Monday, Jan. 16 at 7:30 p.m. in the home of Mrs. Henry Seamans on West 16th St.

Sunday, January 15

In observance of the 50th wedding anniversary of Mr. and Mrs. B. B. McGee their sons and daughters will have Open House for them Sunday, January 15 from 2 to 5 p. m. in the home of Mr. and Mrs. Lloyd Smittle on the Patmos-Shover Springs Road. Their many friends are cordially invited.

Tuesday Bridge Club Meets

In Home of Mrs. R. L. Broach A Tuesday Bridge Club met with Mrs. R. L. Broach Jan. 10, and she had arrangements of Japanese as floral decorations.

The high score prize was won by Mrs. George Newbern. Mrs. E. J. Whitman was second high. Snacks were served during the afternoon.

Builders Bible Class Meets

With Mrs. Clyde Coffee The Builders Bible Class of the First Baptist Church held their January meeting in the home of Mrs. Clyde Coffee, Monday.

Co-hostesses were Mrs. Roy Mouser and Mrs. Opal Hervey. The meeting was opened with prayer by the teacher, Mrs. Henry Haynes. Mrs. Ben Owen, president, conducted the business session. The devotion was by Mrs. Mouser and Mrs. Royce Smith voiced the closing prayer.

Cake and coffee were served to the 10 members present.

WSCS and Wesleyan Service

Guild Hold Joint Meeting A joint meeting of the WSCS and Wesleyan Service Guild of the First Methodist Church was held in the Church Monday, Jan. 9 at 7:30 p.m.

After singing, a New Years hymn was read in unison, led by the president of the WSCS, Mrs. Edwin Ward. Mrs. Elvin Brown, Guild Program Chairman, extended greetings from the Guild. Mrs. Brown presented Miss Mary Louise Copeland who brought a New Years Message.

Four panelists were introduced who presented an interesting skit on station "VIEW." They were Mrs. Garland Medders, Mrs. Sam

Andrews, Mrs. Royce Weisenberger and Mrs. Lillian Fisk.

A special number was sung by a group of Junior High Glee Club girls accompanied by Mrs. Florence Hyatt. Mrs. James McLarty, district secretary brought a report from the Guilds.

Mrs. Ward dismissed the meeting with prayer.

Mrs. Miles Laha Hostess to Ann Wallerman Circle

The Ann Wallerman Circle of the First Baptist Church met on Monday in the home of Mrs. Miles Laha with 11 present.

Mrs. Roy Taylor opened the meeting. The minutes were read and reports were given. Mrs. Taylor read the Calendar of Prayer for Missionaries birthdays on Jan. 9. Mrs. Burroughs led in prayer. Mrs. Baber taught two chapters of the Mission Book "Across the Bridge."

The hostess served a delicious plate with coffee.

Hope Practical Nurses Meet

Hope Division of Licensed Practical Nurses met Jan. 10 at 7:30 in the Community Room of the First National Bank.

The meeting was called to order by the president, Mrs. Olga Ray. Mrs. Wessie Poole gave the devotional on "Things to Be Thankful for the New Year."

The business was conducted by Mrs. Ray. Plans for the new year program were discussed. The closing prayer was by Mrs. Emma Hartsfield.

Chapter AE of PEO Meets

Chapter AE of PEO met Tuesday in the home of Mrs. Jim McKenzie. Routine business was conducted by the president, Mrs. E. P. O'Neal.

Mrs. P. M. Horton presented a program entitled "Showing PEO Ideals Through Service." Fruit cake and tea or coffee were served for refreshments.

Mrs. Floyd Leverett Entertains Her Tuesday Night Bridge Club

Mrs. Floyd Leverett entertained her bridge club Tuesday night Jan. 10. The two tables of players included one guest, Mrs. Dick Moore.

When scores were tallied, Mrs. C. L. Stuart Jr. was high and Mrs. Lloyd Guerin was second high. Mrs. Moore won the game prize. The hostess served a salad plate and coffee.

Miss Mary Gonzales Weds Thomas Darwin Stone

Miss Mary Gonzales of Barstow Texas and Thomas Darwin Stone of McCaskill were united in marriage Dec. 31 in the Charles Cox home. Mrs. Thomas Hamilton, a sister of the groom, served the bride as matron of honor and Kenneth Montgomery served his cousin as best man.

The couple is now at home in Wickliff, Texas, where he is employed in the oil field.

WMS Royal Service Meets

WMS Royal Service met Monday at 11 a.m. for the monthly business meeting. A covered dish luncheon was enjoyed during the noon hour.

The program was presented by the Hazel Sorrells Circle. Participating were Mrs. Henry Haynes, Mrs. F. M. Horton, Mrs. Clarence Geist, Mrs. R. E. Chism, Mrs. J. S. Gibson, Mrs. Bernice Hargis, and Mrs. W. C. Bramlett.

There were 38 members present and the church nursery was opened.

Duplicate Bridge Club Holds Master Point Night

It was Master Point Night for the Hope Duplicate Bridge Club on Jan. 9 at the Diamond. On the 3 1/2 tables of players Mrs. Harry Hawthorne and Mrs. R. L. Broach were the highest scoring couple.

Mrs. Marie Hendrix and Mrs. J. M. Duffie were second and Dr. Wright and Mr. Broach were third.

Coming and Going

Mrs. Forney Holt, president of the local medical auxiliary, and Mrs. J. W. Branch, state chairman of the AMER, went to Little Rock Tuesday for a board meeting of the Woman's Auxiliary to the Arkansas Medical Society.

Maternity fashions get prettier each year. These coordinates are done in soft colors and carefully designed to slenderize. Overblouse with bateau neckline (left) is in peacock blue, has applique matched to slim skirt. Wide cowl neckline is used for top of these separates (right) in color called redwood. Fabric for these designs is Cone corduroy.

DOROTHY DIX

Soldier Took It In War,
Can't Take It At Home

By HELEN WORDEN ERSKINE

DEAR Helen:

My wife and I are 39. We were married in 1940. During the war I served in the Army overseas and put what money I made toward buying a home. My wife didn't like this. We divorced in 1946, she keeping our three children.

We remarried in 1947 and for a year made it okay. Ever since it's been hell. She curses me even though I do most of the work at home. She befuddles me so I don't know whether I'm going or coming.

I look at other wives, so considerate and understanding, and wonder why my life has to be like this. I'm not asking for pity but advice. My wife's mother says she is like her grandmother. She had to be boss.

I've never been the man of the house. Now I'm at the end of the road. —Worried Husband

DEAR Worried Husband:

Either be the man of the house or get out. Your mistake was probably in going back. There are times when divorce is justified.

DEAR Helen:

I am a divorcee with one child and have been going for five months with a 25-year-old fellow who never married. He is wonderful, the most polite, respectful, considerate fellow that the God Lord ever put on the earth. I love him very deeply. How do I go about finding out how he really feels? He has never told me but when he kisses me, it is with a deep feeling. I'm afraid of being hurt again. —Mixed Up Very Much

DEAR Mixed-Up:

Keep him guessing. The less you reveal your feelings the more he will reveal his.

DEAR Helen:

My daughter, age 14, kept a doctor's appointment wearing shorts. She said the doctor did not cover her legs with anything but kept looking at them and laughing at her. Don't you think this doctor acted in an unprofessional manner? Should I send her to him again? —Mother

DEAR Mother:

Teen-age girls are apt to let imagination work overtime. Go with your daughter when next she visits the doctor and size up the situation for yourself. Don't be too hard on the poor man. Maybe your daughter did look ridiculous in shorts. Some

Highway Bond Issue Talked Up Again

LITTLE ROCK (AP)—Highway Director F. R. Oliver said Wednesday that the state Highway Commission is not opposed to proposed legislation for a standby bond issue to match federal highway money.

Oliver emphasized that bonds would not be used unless it was "absolutely necessary" to avoid losing some federal aid funds.

Gov. Orval Faubus recommended in his inaugural address Tuesday that the 1961 Legislature pass legislation similar to Act 485 of 1959 to use in case federal aid the state can't match becomes available.

Faubus said that federal money had been "frozen" by the Bureau of Public Roads—including \$40 million from Arkansas—and that the money could be released suddenly.

Oliver said the state normally got about \$33 million in federal money a year and was able to match it with around \$13 million in state funds.

Contractors and Engineers Agree

LITTLE ROCK (AP)—Contractors and operating engineers agreed Wednesday on a new three-year contract that will give the engineers 30 to 35 cents an hour increases on wages.

It was the second of four unions to sign with the Associated General Contractors of Arkansas. The carpenters and contractors reached an agreement earlier.

Iron Workers Local 321 and the Cement Masons Local 270 are the unions still without new contracts. Talks with the iron workers are at a standstill, but talks with the cement union are still going on.

Goes to the Vet

JOPLIN, Mo. (AP)—"Rocky" suddenly ducked out on the proceedings Tuesday as Robert Blake and his family tried to patch up the cuts and scratches their pet Weimaraner collected on a two-day absence without leave.

The dog turned up shortly, a mile away, at the office of W. L. Pelot, a veterinarian who had treated him before.

Russia Says U. S. Planes Buzzed Ships

MOSCOW (AP)—The Soviet Union charged today that U.S. military aircraft buzzed as Soviet ships in various seas last month. The Soviets warned that such incidents must cease.

Minister Viktor Bakayev, at a news conference, waved a piece of paper and said it was a radiogram from a Soviet sea captain reporting that a British bomber was "buzzing"—meaning buzzing—his ship this morning.

The radiogram, Bakayev said, was from the ship Sergei Kirov at the southern entrance to the Red Sea.

He said the buzzings took place in the Pacific, Atlantic, Mediterranean, South China Sea and in other areas.

"The leaders of the U.S. aggressive policy should bear in mind that the Soviet Union has the strength and means to ensure the safety of Soviet shipping anywhere in international waters," Bakayev said.

Russia has repeatedly charged U.S. planes with buzzing Soviet shipping on the high seas.

Okays Race Mixing

WILLIAMSBURG, Va. (AP)—An interracial organization of the Protestant Episcopal Church gave its approval Tuesday to interracial marriages.

The Episcopal Society for Cultural and Racial Unity approved a memorial requesting the church's House of Bishops to state in its next pastoral letter the position of the church concerning marriage between persons of different color.

Harris Signs to Play With Canadians

FAYETTEVILLE, Ark. (AP)—Wayne Harris, All-Southwest Conference linebacker from the University of Arkansas, has signed a professional contract with Calgary of the Canadian Football League.

Harris, who signed a contract for an undisclosed bonus Saturday, said Wednesday he will report to the Calgary training camp in June. Another former Razorback, Donnie Stone, now plays for Calgary.

Harris, twice picked for All-SWC, this year was named to the Associated Press All-America second team.

He will return to the university next year to complete his degree. Harris also has two celebrations in his home coming up. El Dorado, his home town, will have

Legal Notice

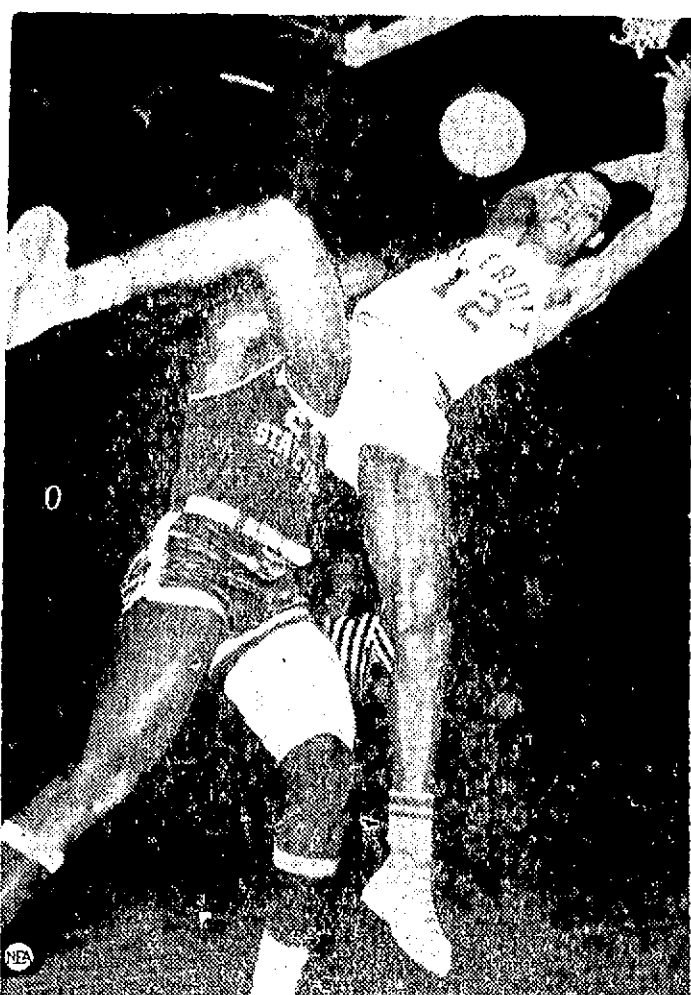

NOTICE IS HEREBY GIVEN That in pursuance of the authority and directions contained in the decretal order of the Chancery Court of Hempstead County, Arkansas, made and entered on the 9th day of November, 1960, in a certain cause then pending therein between Bernice Beard et al, Plaintiffs, and W. A. Davis, Defendant, as amended by the order of said Court made and entered on the 8th day of December, 1960, the undersigned as Commissioner of said Court, will offer for sale at public venue to the highest bidder, at the front door or entrance to the Court House in the City of Hope, in Hempstead County, Arkansas, within the hours for judicial sales, on Friday, January 27, 1961, the following described real estate, to-wit:

The North 45 feet of Lot Three (3) in Block Fifty-four (54) in the City of Hope, Hempstead County, Arkansas.

TERMS OF SALE: On a credit of three months, the purchaser being required to execute a bond as required by law and the decree of said court in said cause with approved security, bearing interest at the rate of six per centum (6%) per annum from date of sale until paid, and a lien being retained on the premises sold to secure the payment of the purchase money.

Given under my hand this 5th day of January, 1961.

JAMIE RUSSELL,
Commissioner.

LEGGIO!—University of Denver center John Morgan, 12, and Colorado State's Bill Green are putting all their legs in one basket as they tussle for a goal in Detroit.

Four Colts Named as Starters

LOS ANGELES (AP)—West Coach Vince Lombardi has named four Baltimore Colts — and only two of his own Green Bay Packers — to a tentative starting offensive lineup for Sunday's pro bowl game at the Coliseum.

Green Bay's Paul Hornung, who set a National Football League record last season by scoring 176 points, is not among the starters. He suffered a leg injury late in the season, and again in the play-off game against Philadelphia, but is expected to be able to play Sunday.

Buck Shaw of Philadelphia, coach of the East all-stars, hasn't announced his lineups.

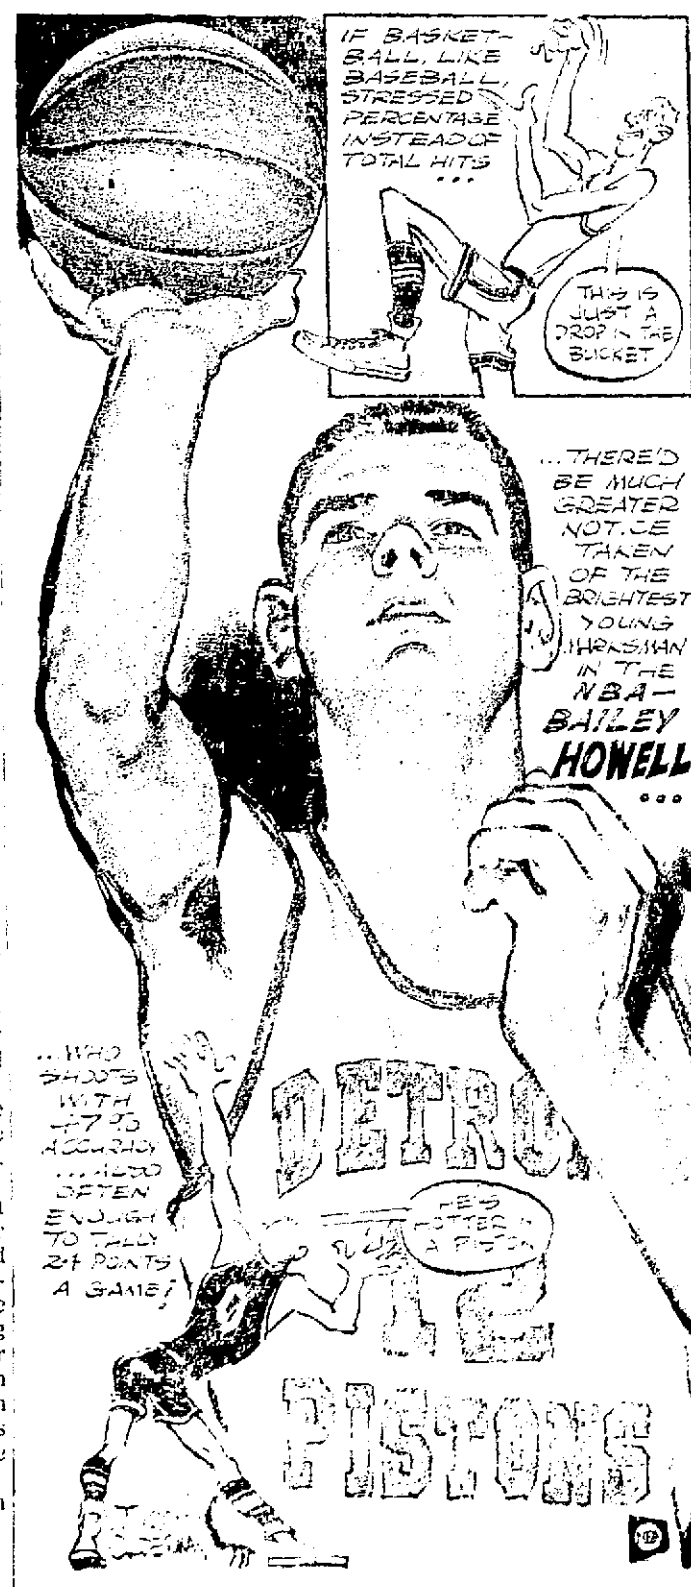

Tentative starters in Lombardi's backfield are quarterback Johnny Unitas of Baltimore, halfbacks Lenny Moore of Baltimore and Jon Arnett of Los Angeles and fullback Jim Taylor of Green Bay.

Up front are ends Gail Cogdill and Jim Gibbons of Detroit, tackle Jim Parker of Baltimore and

"Wayne Harris Day" Jan. 21 and Harris will be cited as "Ark-La-Tex Athlete of the Year" Feb. 10 in Shreveport.

Jim Mooney, Arkansas halfback who won All-America honors last year, also received both the Ark-La-Tex honor and also had a day in his honor in El Dorado, also his home town.

SHARP SHOOTER

Palmer to Launch a Comeback

SAN DIEGO, Calif. (AP)—Golf star Arnold Palmer launches a comeback today as 130 professionals and 13 amateurs open play in the \$20,000 San Diego Open.

Much against his will, Palmer relined from the Los Angeles Open after only two rounds. He failed to qualify for the final two rounds, thanks to his 12 strokes on one hole and a 77 for the second round.

His composure, and very likely his game, restored, Palmer resumed a campaign to match all the laurels he won in 1960, which included the National Open, the Masters and more than \$80,000.

The tournament scene is the 6,725-yard, par 35-36-71 Mission Valley Country Club. Sunny weather was promised.

The field is possibly the best in the history of San Diego's winter fixture. Twenty-eight of the 30 top money winners of 1960 are entered.

Prominent is 29-year-old Bob Goalby, who won the \$45,000 Los Angeles open last Monday.

Goalby is seeking three straight tournament wins. Prior to the Los Angeles triumph, he closed out 1960 with a victory in the Coral Gables, Fla., open.

Billy Casper Jr., former U.S. Open champion, pulled the three-straight feat last year, winning the Portland, Ore., and Hesperia and Orange County, Calif., opens. Casper is entered here.

The defending San Diego champion, Mike Souchak, also is present. A year ago he shot rounds of 67, 68, 67 and 67 for 269. Par for the course then was 72.

Also here is Art Wall Jr., runner-up at Los Angeles.

Some People Like to Pay Taxes

JACKSONVILLE, Fla. (AP)—Some people must like to pay taxes.

T. E. McDowell, assistant tax collector for Duval County, said several persons have paid their tax bills twice. After the office mailed receipts for the first payment, the taxpayers made out new checks and sent them back with the receipts.

The tax collector's office wishes it wouldn't happen. It makes extra work checking the previous payment and sending the money and receipts back.

their behalf via the State Department. It is not known here if any club thus far has made the usual visa request for Cubans.

American clubs have a good sized investment in Cuban talent. Nearly 200 Cuban players are ticketed for action in the major and minor leagues this season. Between 14 and 19 of them carry big league credentials for spring training, at least.

NCAA Slaps 'No Cash' on Recruiters

By JIM KENSIL
Associated Press Sports Writer
PITTSBURGH (AP)—On the heels of the North Carolina probation case the National Collegiate Athletic Association has put recruiters of high school athletes on a no-cash basis.

Legislation adopted at the business session of the 55th annual NCAA convention Wednesday stipulated that colleges may not pay the expenses of athletic talent scouts. It was also ruled that a member college may not put a recruiter on the payroll and claim him as a staff member.

The legislation was drafted in advance of the disciplinary action Tuesday that placed North Carolina on probation for a year and barred the school's seventh-ranked basketball team from the national championships.

But it was recalled by convention delegates that one of the charges against North Carolina involved unitemized expense accounts turned in by semi-official recruiter Harry Gotkin, who scouted high school basketball players in the New York area.

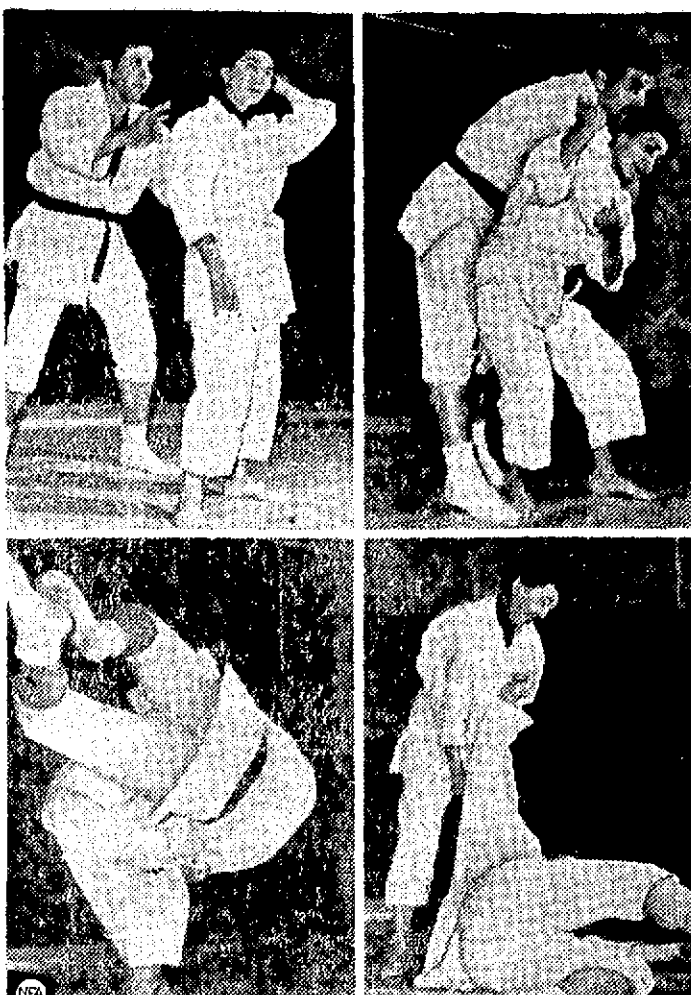

Wednesday's convention climax was one of the longest ever but the NCAA gathering was expected to wind up quickly today with a routine morning meeting of the council.

Recruiting rules were also tightened by the adoption of a measure which requires persons paying for the transportation of an athlete on a visit to a college campus to accompany the athlete. The NCAA feels boosters won't encourage so many campus visits if they have to make the trips themselves.

Tax Lien Against Betty Davis

LOS ANGELES (AP)—A \$24,631 tax lien is on file against actress Betty Davis and her divorced husband Gary Merrill.

The Internal Revenue Service said Wednesday that the amount is sought as additional tax for 1957-58. Miss Davis divorced Merrill in Portland, Me., last July 6.

FALL GUY—Taking a turn for the worse, six-foot-two, 240-pound Jack Schaff tumbles for 118-pound Betty Snelling. Miss Snelling, five-foot-four-and-a-half, is a dental technician who gives judo instruction in her spare time. Schaff, who is taking this shoulder throw at the Indianapolis Young Men's Christian Association, is qualified to wear the black belt awarded to advanced students of the sport.

Hope Star SPORTS

Sophomore Has Duke Rolling Toward Title

By DON WEISS
Associated Press Sports Writer
Hey, man, this Heyman's still at it—acting like the sophomore of all college basketball as he and the Duke Blue Devils drive toward the regular season championship in the Atlantic Coast Conference.

Just earning a starting spot on Duke's veteran team might have been honor enough, but young Art Heyman's doing much more. Like Wednesday night when the eighth-ranked Blue Devils came from 11 points behind with 2:45 left and finally edged upstart Virginia 92-90 in overtime.

It was Heyman's field goal with 35 seconds left in regulation time that climaxed an 11-0 burst and finally got Duke even after Virginia (2-11) had built an 81-70 lead. In overtime, it was the 6-foot-5 sophomore's soft push shot that won it with 12 seconds remaining.

Comebacks, spectacular shots and upsets marked the college program in general Wednesday night. St. Joseph's (Pa.) spilled fifth-ranked St. John's 74-71 behind Vince Kempton and Jack Egan in the windup of a Philadelphia Palestra doubleheader that opened with New York University's 70-67 upset of Temple. Army, holding Villanova scoreless for the first nine minutes shocked the touted Wildcats 64-49, and Dayton's Flyers beat Duquesne 60-56.

Georgia Tech rolled to an 89-80 overtime triumph over Georgia.

Maryland (8-3) got 16 points from Bruce Keliher in a 55-47 victory over Georgetown, and Air Force squared its record at 5-5, downing Centenary 61-59. Florida (7-6) dominated the boards and rallied to spill Miami of Florida to its fourth loss in 12 games, 81-73, and Toledo (9-1) won its

Yanks' Farm Won't Help Club Much

By JOE REICHLER
Associated Press Sports Writer
NEW YORK (AP)—The Yankee farm system which for years produced outstanding big league prospects to the parent New York club doesn't figure to be of much help for 1961.

Only 10 new faces adorn the Yankee roster and it would come as no surprise if none of the newcomers stick with the varsity.

Those with an outside chance to stick appear to be Deron Johnson, a third baseman; Leroy Thomas, an outfielder; and Jesse Gonder, a catcher.

Johnson, 22, is a strapping right-handed hitter who swatted 27 home runs and drove in 92 runs despite a .245 batting average at Richmond.

Thomas, 25, is a left-handed hitter who combed enemy pitchers for a .390 average while at Amarillo in the Texas League. After being advanced to Richmond, he hit only .246.

The Yankees acquired Gonder, 23, from the Cincinnati Reds' Pacific Coast League farm team at Seattle last spring.

At Richmond, where he played last year, the left-handed hitting Gonder, only Negro on the team, batted .327.

The best of the raw recruits may be a 21-year-old right-hander named Roland Sheldon. A former university of Connecticut star, Sheldon had a 15-1 record at Auburn last year, posting a 2.88 earned run average.

Paid Ticket and His Face Was Red

LITTLE ROCK, Ark. (AP)—A man asked a passer-by where to pay the overtime parking ticket, he had received.

"In the little red box," was the reply.

And that, said Asst. Fire Chief Tommy Seville, is why all of Little Rock's downtown fire fighting equipment went screaming into the business district Wednesday. The motorist got a fire box instead of the parking fine box.

Union Okays Fund

SAN FRANCISCO (AP)—Pacific Maritime Association members Tuesday ratified a \$29-million automation fund agreement with the International Longshoremen's and Warehousemen's Union. The

Kennedy Fills 4 More Top Positions

By MARVIN L. ARROWSMITH
PALM BEACH, Fla. (AP)—President-elect John F. Kennedy today filled four top positions in the Interior Department. He also announced that the Eisenhower administration's reclamation bureau chief will remain.

The reclamation commissioner is Floyd E. Dornay, 60. A political independent and a veteran in the bureau, he was named director by President Eisenhower last year.

The president-elect also announced selection of James K. Carr, 46, chairman of the California Water Commission, as undersecretary of the interior.

Kenneth Holm, 45, Groton, S.D., farm leader, as assistant secretary for water and power. John A. Carver Jr., 42, administrative assistant to Sen. Frank Church, D-Idaho, as assistant secretary for land resources.

And Frank Barry, 47, Tucson, Ariz., lawyer, as the Interior Department's solicitor or chief legal officer.

Kennedy announced the selections—all Democrats—after consultation with Rep. Stewart Udall, D-Ariz., who will be secretary of the interior in the new administration.

Kennedy, getting in a final visit at the Atlantic shore home of his parents before taking office Jan. 20, had only one scheduled business engagement today—a morning conference with Gov. Terry Sanford of North Carolina.

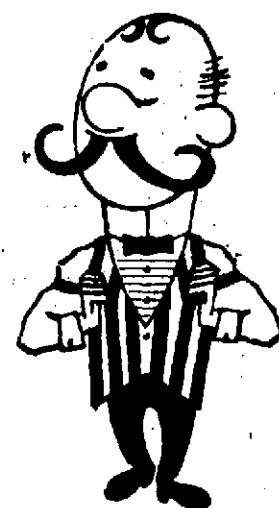

The president-elect plans further work on his inaugural address and another round of golf.

Wednesday Kennedy—at 43 the youngest man ever elected president—paid a social call on the oldest living former president, Herbert Hoover, 86.

Hoover is in Florida for the dedication today of a dike named for him. It is located at Lake Okechobee at Clewiston, Fla.

The president-elect and his father, Joseph P. Kennedy, former ambassador to Britain, called on Hoover at the home of Palm Beach banker H. Loy Anderson, who was host at a reception for the former president.

association consists of about 118 shipowners and stevedoring firms. The agreement, already approved by the West Coast longshoremen, is expected to go into effect soon.

Civil Docket

The Trading Post vs. Earl Prosser. Action on note for \$130.00. Dismissed.

The largest solar furnace in the United States can generate temperatures up to 2,700 degrees centigrade. It's located in Natick, Mass.

PRIVATE SATELLITE—An engineer checks the innards of the first communications satellite designed for use by private businesses. Built by Hughes Aircraft Co., it is capable of handling hundreds of telephone circuits and direct TV transmission. It placed in a 22,000-mile-high orbit above the equator, its speed would match the earth's rotation and the satellite would appear stationary from the ground. In that position it could relay communications between most of North and South America, western Europe and western Africa. Its small size and weight—29 inches and 32 pounds—enables it to be launched by a small rocket. Dark rectangles are solar cells, 2,700 of them, to provide power.

Lo. Legislature on Standby Basis

BATON ROUGE (AP)—Gov. Jimmie H. Davis said today he has called a fourth special session of the legislature, but only on a standby basis in Louisiana's ceaseless fight against school integration.
The new 30-day session starts Monday.
Davis faces a last chance vote in the Senate, on his proposed \$28 million sales tax raise for private, segregated schools.
The House-passed measure failed by four votes in the first Senate test Wednesday.

Memorial to Ex-Lawmaker

LITTLE ROCK (AP)—The Arkansas House today passed 93-0 a bill designating the State Police district headquarters at Warren as a permanent memorial to the late Bradley County Rep. Carroll C. Hollensworth.
A similar bill has been introduced in the Senate.
Hollensworth died in 1959 after suffering a heart attack during the legislative session. He was a former House speaker.

Ex-governor Indicted

SCRANTON, Pa. (AP)—John S. Fine, former governor of Pennsylvania, was indicted Tuesday by a federal grand jury on charges of evading \$46,554 in income taxes after he left office.
Fine, 67, and his brother-in-law, Donald P. Morgan, were charged in a three-count indictment covering the years 1955 through 1957.
Fine, a Republican, has practiced law since leaving office in January 1955 after a four-year term.
The indictment charges Fine had income totaling \$175,237 for the three years and owed taxes amounting to \$38,554. It alleges Fine reported an income of \$105,088 and paid taxes of \$43,000.

The muskeg, or bog area, of northern Canada covers an estimated half million square miles. There are an estimated 2,500 chamber music groups in American colleges and universities.

New wonder drug cosmetic restores young look to skin

You can look younger. The evidence is startling—documented by doctors and research scientists, hospitals, clinics. Helena Rubinstein's Ultra Feminine® is the only wonder drug cosmetic containing both vital female hormones, estrogen and progesterone. Interacting, these hormones reactivate specific skin cells. Lines smooth out. Wrinkles due to dryness are reduced. Young skin tone is restored to mature skin.

LIFETIME GUARANTEE: Take advantage of this once-a-year sale. Helena Rubinstein promises: "Your skin must look smoother, younger in one month—then must stay younger looking with continued daily use of Ultra Feminine, if used as directed, or return your most recent jar for a full refund."

ONCE-A-YEAR SALE!

Because Helena Rubinstein is convinced that Ultra Feminine is her greatest cosmetic achievement, she makes this special offer so that you may discover for yourself that you can look younger. One jar will convince you!

Man Killed in Missouri Wreck

OSCEOLA, Mo. (AP)—One person was killed and several others suffered minor injuries Wednesday night, the highway patrol said, when a car smashed head-on into a Continental Trailways bus. Dead is William Otto Wyatt, 45, of Osceola, driver of the car. The injured included Mrs. Mary Jones, 50, of Proctor, Ark., and Mrs. Gladys Mansfield, 64, of Springfield, Mo. Both were hospitalized at Springfield. Mrs. Jones suffered lacerations and a possible fracture.

Child Perishes in House Fire

PRIMROSE LAKE, Ark. (AP)—Eight-year-old Linda, the daughter of a girl, died when a house fire broke out in her family home here Wednesday night. The victim was the daughter of Mrs. and Mr. Tom Jones. Justice of the Peace J. H. Jones said several other children in the five-room home were injured in the fire. The children were not at home, Parker said.

Hope Civic Improvement Association will meet at Hicks Funeral Home Thursday, Jan. 12 at 7:30 p.m.

This is the first meeting of the new year and the president, H. L. Washington is asking all officials and civic minded people to come out, so let us as citizens of Hempstead use this new year to the best of our ability.

Ike Warns of

Continued from Page One

night. He will speak at 8:30 p.m. (EST) from his office.

It also announced that he will hold a farewell news conference before leaving office. The time for this has not been set.

Since he is leaving office, Eisenhower avoided in his State of the Union message the suggestions to Congress for legislation which such a message usually contains.

He did tell the legislators that the budget he will submit next week will be a balanced one. By law, the outgoing president must submit a proposed spending-revenue program for the fiscal year beginning next July 1. In the nature of things, this will be subject to considerable modification in accordance with Kennedy proposals after Eisenhower leaves office.

In noting the problems confronting the nation at this time, Eisenhower said:

By DOUGLAS B. CORNELL

WASHINGTON (AP) — President Eisenhower told Congress in a farewell State of the Union message today that America has forged ahead in foreign and economic policy in the last eight years, but still confronts grave problems.

The retiring chief executive cited the continuing Communist menace to Berlin, in Cuba, and elsewhere in the world. And he spoke of intermittent declines in economic activity at home which he said leave "little room for complacency."

"I do not close this message implying that all is well—that all problems are solved, for progress implies both new and continuing problems and, unlike presidential administrations, problems rarely have terminal dates," Eisenhower said.

"Abroad there is the continuing Communist threat to the freedom of Berlin, an explosive situation in Laos, the problems caused by Communist penetration in Cuba, as well as the many problems connected with the development of the new nations in Africa. These areas, in particular, call for delicate handling and constant review."

"At home several conspicuous problems remain—promoting higher levels of employment, with special emphasis on areas in which heavy unemployment has persisted; continuing to provide for steady economic growth and preserving a sound currency; bringing our balance of payments into more reasonable equilibrium and continuing a high level of confidence in our national and international systems; eliminating heavily excessive surpluses of a few farm commodities; and overcoming deficiencies in our health and educational programs."

But there were notes of confidence and hope in a message that looked both backward and forward. And there were good wishes for the man who will succeed Eisenhower eight days from now.

The present chief executive did not mention President-elect John F. Kennedy by name. But he said a new president shortly will lay before Congress proposals for shaping the future of a great land.

"To him, every citizen, however his political beliefs, extends best wishes for good health and for wisdom and success in coping with the problems that confront our nation."

Judge Rules

Continued from Page One

gla. Police said eight students and nine persons from out-of-town were arrested during the rioting. One policeman, David Ballew, suffered a broken kneecap when three unidentified students pushed him off a wall. Several other officers were hurt by flying rocks and a rock or bottle smashed the rear window of Police Chief E. E. Hardy's car.

Mayor Ralph Snow of Athens said the city's mayor force of police and firemen battled demonstrators with tear gas and fire hoses for several hours before three carloads of state troopers reached the scene.

Woman Had Husband's Head Hid

COVINGTON, La. (AP)—The FBI today joined in the search for a man implicated in the slaying of E. B. MacDonald, wealthy Arkansas farmer and retired Marine Corps officer.

Investigators declined to identify the man sought, but confirmed that Mrs. MacDonald, held on a charge of murder, implicated him under questioning.

Authorities meanwhile sought to positively identify a head and other parts of a body believed to be that of the 73-year-old MacDonald. The body parts were recovered from a shed behind a house his wife rented here Christmas day.

Officers probing the shed Wednesday night found the pieces of body in a shallow grave near the back wall of the shed. A blood-spattered handsaw was also found in the building.

Authorities hope to establish definite identification from a thumb print from the left hand, which was among the body pieces found Wednesday night.

Dr. H. E. Gautreaux, the parish coroner, said there was a bullet hole at the base of the skull which was found in the shed.

MacDonald's 50 year old wife, Norma, is being held here on a murder charge. Extradition proceedings to return her to Arkansas are under way.

Investigators have said the woman admitted disposing of parts of the body, but denied killing her husband.

A man's torso — cut in two pieces — was found in a well at a farm near Mena several weeks ago. Other portions of the body were found in a septic tank in the Mena area. Still more pieces were discovered in a station wagon which officers said Mrs. MacDonald drove from Arkansas to Louisiana last month.

Arkansas City Watershed Okay

WASHINGTON (AP)—The proposed Arkansas City watershed project in Desha County, Ark., has been approved by the Agriculture Department.

Sens. J. W. Fulbright and John L. McClellan and Rep. W. F. Norrell, Arkansas Democrats, were advised today of the action, which clears the way for federal participation in construction of the project.

Cost is estimated at \$484,891, with local interests providing \$347,815 and the federal government the balance. The project is designed to provide flood protection and prevention and drainage for a 16,143 acre area.

With federal money available, the Arkansas legislators said, assistance can be provided immediately for accelerating the installation of land treatment measures and preparing final designs and specifications for the structural works. Construction will require an estimated five years.

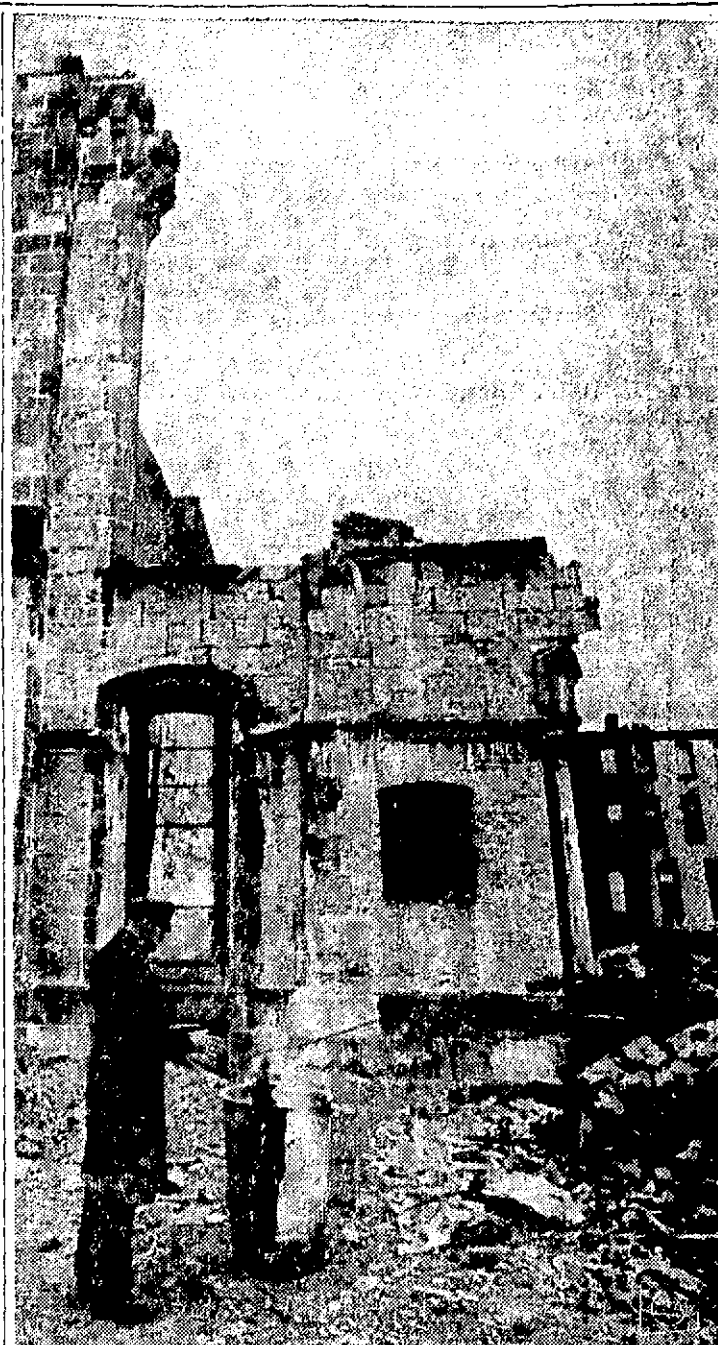

Worker Falls to His Death

HELENA, Ark. (AP) — Lamar T. Spokes, 39, of Rison, a carpenter, was found dead Wednesday by fellow workmen at the Arkansas Power & Light Co.'s new electric generating plant here.

Workmen said Spokes was working atop an elevator cage and apparently fell to his death. Workmen said they heard nothing but the thump of the body which was found wedged in between the top of the shaft and the side frame work.

F. Kennedy by name. But he said a new president shortly will lay before Congress proposals for shaping the future of a great land.

"To him, every citizen, however his political beliefs, extends best wishes for good health and for wisdom and success in coping with the problems that confront our nation."

MONUMENT TO TRAGEDY—Cop warms his hands at a wastebasket fire in front of the gutted Pillar of Fire Church in Brooklyn, N.Y. Neighborhood was devastated by a United Air Lines DC-8 jet which crashed after colliding in midair with a TWA Constellation Dec. 16. The worst air disaster in history killed 134 persons. Formal hearings will be opened by the Civil Aeronautics Board Jan. 14.

JUST FOR LAUGHS—Miky D'Angio literally pays lip service to her art in Rome. The Indian-born painter outdoors the drip-splatter-splash school and uses her feet, hands and lips to place paint on canvas. Miss D'Angio is really a serious painter; she's just ribbing modern art.

He'll Advise Rusk Tells Senators

WASHINGTON (AP) — Dean Rusk, secretary of state-designate, said today he expects to be the new president's chief foreign policy adviser without backstage interference from Adlai E. Stevenson, Chester Bowles or others.

Rusk expressed confidence, however, that he could work smoothly and effectively with Stevenson, Bowles, and former Secretary of State Dean Acheson.

President-elect John F. Kennedy has named Stevenson to be United Nations ambassador. Bowles, as undersecretary of state, will be Rusk's No. 2 man.

Both had been mentioned as possible appointees to the top job, before Rusk was named. Acheson has not been given any post in the new administration but ranks as an important unofficial adviser.

Sen. Bourke Hickenlooper, R-Iowa, quizzed Rusk closely about the degree of his authority as the Senate Foreign Relations Committee held a hearing on the nomination.

Earlier Rusk testified that he sees no prospect at the present time that normal diplomatic relations could be established with Communist China.

Redistrict Plans Before Legislature

LITTLE ROCK (AP)—The Arkansas Senate today approved the so-called "Mays plan" of congressional redistricting, rejecting efforts to have Jefferson, Lincoln and Arkansas counties put into a south Arkansas district.

The measure still must pass the House.

Senate approval, by a 25-6 vote, came after Sen. Morrell Galt, right of Pine Bluff had charged that Rep. Oren Harris of El Dorado had prepared the Mays proposal.

The Senate also rejected a proposed amendment to move Conway County from a northwest district to a north central district. One amendment which was defeated would have moved Jefferson and Lincoln counties from an eastern district to the southern

TELEPHONE TALK

Fred D. Gray, Wire Chief, Hope, Arkansas

Telephone Growth

Did you ever stop and take time to look at the growth and improvement in our town? If you haven't lately, just take a minute and try it. You will be surprised at some of the growth in the Telephone Business for 1960. Beginning the year we had 3683 phones here in Hope and the beginning of this year we have 3893. A gain of 210. This might not sound like so many, but it is a gain. Also during the past year we had a record number of long distance and local calls made. We are looking forward to 1961 for growth of both the town and the Telephone Company.

Telephone Service Improvements For Hope in 1961

Now that 1961 has arrived, many of us in Hope are busy with new plans and ideas. The year ahead presents a challenge . . . a new opportunity for each of us to do a better job.

Our job at the telephone company is to continue to provide you with ever-improving telephone service.

One way of improving your telephone service is by offering you a wider range of things that make telephone service more convenient and enjoyable. The new Princess phone, and home interphone, are recent improvements.

Another way is to expand the communications network, improve its quality, and make it more efficient and trouble-free.

In 1961, we'll not only try to give you better service, but we'll do it more efficiently. And efficiency, achieved through technical advances in the telephone business, helps us continue to give you, at reasonable rates, telephone service that grows better year after year.

New Film On National Defense

How safe are we from an enemy missile attack? A new color film, "Seconds for Survival," produced by the Bell System and narrated by Raymond Massey, shows how the United States defense network guards against enemy attack.

The film is available for showing at church, school, civic and business group meetings. If your group would like to see it, just call the Telephone Business Office to make arrangements. There's no charge, of course. I hope you'll see it soon, if you haven't already.

Call by number. It's twice as fast.

SOUTHWESTERN BELL-ARKANSAS

Russia Wants UN to Oust Belgians

By WILLIAM N. OATIS

UNITED NATIONS, N.Y. (AP)—The Soviet Union demanded that the United Nations oust Belgium as administrator of the U.N. trust territory of Ruanda-Urundi, next to the Congo's rebellious Kivu Province.

Soviet Delegate Valerian A. Zorin also called on the U.N. Security Council to condemn Belgium for permitting troops of Congolese strongman Col. Joseph Mobutu to cross the territory of Ruanda-Urundi Dec. 31 for an attack on rebel units in Kivu Province.

The council meeting was called at the request of the Soviet Union to deal with the transit of the Mobutu group.

There was no request for an emergency meeting of the 90-nation assembly.

Those Late Calls Work Both Ways
EATONTOWN, N.J. (AP)—Councilman Joseph Kellenyi of the Eatontown Borough Council suggests the following course of action when John Q. Citizen phones public officials at 2 a.m. with a problem:

"Take his number and say you'll call him back," Kellenyi told the council recently.

"Then set your alarm for 3:30. When it rings, phone Mr. Citizen and give him his answer. It works very effectively."

lengthen the spring horse race season at Hot Springs' Oaklawn Park.

In other matters, there were these developments in the House:

Independence Rep. Virgil J. Butler introduced a measure calling for a constitutional convention. Under the proposal 100 delegates would be named in a special election July 25. The delegates would rewrite the state's constitution, which Butler said has become unwieldy because of the 59 amendments tacked on since it was written in 1874.

Benton Rep. Hardy W. Croxton introduced five proposed constitutional amendments to change various items in the state and county governmental structures. One would set up a four-year term for governors and limit them to two successive terms.

Garland Rep. Eugene (Bud) Canada introduced a bill to cut the state income tax rate, and Garland Rep. Ray Smith Jr. and Pulaski Rep. Gaylor Windsor offered proposals to allow deductions for state income tax purposes of federal income taxes paid.

Among other bills introduced in the House Wednesday were measures to:

Require purchasers of poll tax to state a party preference and prohibit them from voting in another party's primary, require the filing of reports on political contributions totaling more than \$25, require county judges to get competitive bids on county purchases and declare the state cigarette tax an impact on the consumer so the tax could be deducted from federal income tax returns.

Each chamber received 11 appropriations bills during the day. The House bills pertained mostly to minor agencies. But those in the Senate dealt with the University of Arkansas, the Medical Center and the seven state-supported colleges. They called for the same appropriations previously approved by the Legislative Council.

A resolution calling for a study of the state's Teacher Retirement System was adopted by the Senate. The resolution — by Sen. Robert Harvey of Swifton — called for an investigation of the increased costs of the retirement system. Five senators and four House members would be appointed to an investigating committee.

Legal Notice

NOTICE TO BIDDERS

Sealed proposals addressed to the Hope Water & Light Plant, c/o G. G. Medders, City Manager, will be received at the office of the City Manager, City of Hope, Hempstead County, Arkansas, until 2:00 p. m. on the 26th day of January, 1961, for furnishing the following described equipment:

1 ea. — ½ ton pickup, 6 cylinder engine equipped with oil bath air filter, turn signals, cab heater, 4 ply standard size tires including spare tire and rim.

This vehicle will carry a utility maintenance body requiring standard ½ ton truck frame and dimensions, and light or compact models will not accommodate the equipment.

All bids received at the above stated time and date will be publicly opened and read. Any bid received after the above time will be returned unopened. The Hope Water and Light Plant reserves the right to reject any or all bids, to waive all formalities, and to award the bid deemed most advantageous to the Hope Water and Light Plant.

Life About Folks Over Arkansas

By BOB MARING
Associated Press Staff Writer
Jonesboro firemen really believe in the "do-it-yourself" bit. They're making their own fire truck.

The new truck will replace a 1946 model wrecked while answering an alarm last spring. The city got a \$2,802 insurance settlement for the damage.

Firemen decided they could build the replacement truck, rather than have the city put out \$10,000 to \$25,000 for a new truck.

The city bought a new truck chassis for \$2,344 and the firemen started to work. They salvaged the pump and water tank from the

wrecked truck, then, using parts made themselves or fabricated for them at local machine shops, they started building.

Chief Ruff Coleman says the truck is about done now and that when it's through it'll have cost about \$4,344. Deducting the insurance payments leaves a \$1,500 cost for what Coleman described as a "fine truck."

Pope County Sheriff Bob Rankin has a new six-shooter, but he's not likely to catch any criminals with it.

It's a tiny, "shootin' iron" mounted as a tie clasp which fires blank ammunition. He got it from a friend in Texas, naturally.

There are all sorts of endings to New Year's Eve parties, but one at a club near Camden wound up with tears.

Someone threw a tear gas bomb

in a rest room. The gas filtered into the dancing area, bringing a hasty rout by celebrants.

The Ouachita County sheriff's office would like to know who set off the bomb. So, probably, would a lot of party-goers.

At least the thief who broke into a car in Hope the other day had a worthwhile object in mind. He stole two Bibles.

Who says the number 13 is unlucky? The 13th child of Mr. and Mrs. Willard Killian won the 1961 "Stork Derby" in Craighead County.

Little Brenda Louise Killian arrived in a Jonesboro hospital 7 hours and 55 minutes after 1961 began.

The unofficial "first baby" title went to Mary Elizabeth Clark, who was born to Mrs. Alfred Clark of near Jonesboro at about 4 a.m. Jan. 1. Her birth didn't count in the derby, however, because it was unattended—Mrs. Clark's husband was on his mail truck run and the mother was home with three other children at the time.

Bill Miles of the Pine Bluff Commercial tells this story: A man at a drive-in cleaning establishment started to hand the attendant a child's jacket, when up piped a wee voice with the plea: "Oh, no, Daddy! Don't sell my coat."

Mr. and Mrs. George West of Jackson, Miss., drove both their

Remove Stains While They're Fresh

Speed is the key to effective stain removal. An easy rule to remember about stains is that a fresh one is easier to remove than an old one.

Most household stains—such as fruit, scorch, grass and light mildew—yield to a special solution of heavy duty dry chlorine bleach and detergent. Step one is to quickly rinse the stained area with cold water, then soak 5 to 15 minutes in a solution of ¼ cup of dry chlorine bleach and one tablespoon detergent per quart of warm water. Always mix in a polyethylene plastic, glass, porcelain or enamel container. Rinse, and repeat if necessary. Colored fabrics, however, should be tested for colorfastness before treating.

For more stubborn stains, products around the kitchen or in the medicine chest come in handy. Butter is useful for softening tar stains. It changes tar into grease which can then be removed with a commercial cleaning fluid. Boiling a rust stained area in milk helps take out the spot. To remove lipstick or rouge stains, rub petroleum jelly into the stain and sponge it with cleaning fluid before laundering the article. If necessary, lipstick stains may also be soaked in a solution of dry chlorine bleach and detergent, then rinsed thoroughly.

Bicarbonate (or baking) soda is good for removing salad dressing stains. Apply a paste of bicarbonate soda and cool water to the stained area. Let it dry, then launder the article in cool water. If the stain remains after the garment dries, sponge with cleaning fluid and launder again. Often stains from alcoholic drinks can be removed by simply soaking the articles in a solution of dry chlorine bleach and detergent.

Wondering Waistline Is Home Again

By JOY MILLER
AP Women's Editor

NEW YORK (AP)—In the predictable way of prodigals, the wandering waistline has come home again.

For spring a notable number of New York designers have put the waist back where nature always has thought it belonged. They've indented and shaped and nipped—for greater emphasis.

But that formality over with, they seem to have turned their attention from form to fabric.

In the second afternoon of press week, more than 200 visiting fashion reporters Tuesday saw spring collections of the New York couture group feature fitted waists in new fabrics and new fabric combinations.

The fabrics seemed practical and highly wearable too, unlike some of last season's materials that had you gasping—first at their fabulous opulence, then about where you'd wear them.

The pet of Arthur Jablow and his designer David Kidd was a domestic silk and wool fabric with a slight sheen, and reputedly pretty indestructible called mergino (soft G). It was shown in a series of handsome suits and jacket and dress ensembles, in charcoal, ecru (a brown shade) and black.

Jackets came in varying lengths with the cropped jackets hitting just below the waist but standing away from the body. Blouses and bodices were colorful prints to contrast or match the solid colored skirts and jackets.

The Jablow skirts were slim, but cleverly engineered darts and pleats around the waist lent a rhythmic ease to walking. They reached below the knee, too. Unlike some of his couture confreres, Jablow finds an exposed kneecap unfashionable.

The Pattullo-Jo Copeland collection also made much of fabrics, especially in playing one against another in the same dress: crepe in front and pure silk taffeta in back, for example. In a black and white plaid worsted ensemble, the dress' waist line and jacket lining were blue silk.

Jo Copeland likes skirts slim, but with movement. She likes jackets nor spring not to have a closing, especially, she says, when the dress underneath is too pretty to hide.

Branscum Leads Scoring in AIC

LITTLE ROCK (AP)—Hot-shooting Cleve Branscum of College of the Ozarks, who dumped in a record 47 points in one game last week, has moved into the scoring lead of the Arkansas Intercollegiate Conference.

Statistics released today by AIC Commissioner Cliff Shaw show that Branscum, who followed the 47-point outburst with a 30-point barrage in the next game, now is hitting at a 25.3 per game clip. He has 221 points on 44 field goals and 60 free throws.

Henderson's Jimmy Reppo, last week's leader, dropped to second with 167 points and a 23.9 average.

Rounding out the top five are Kenny Saylor of Arkansas Tech with a 21.6 average; Francis Rogers of Arkansas College, 21.5, and John Robinson of Arkansas State Teachers College, 20.2.

Fighting Famine

ROME (AP)—The UN Food and Agriculture Organization announced today it has launched a program to provide food and seeds to relieve famine conditions among refugees in the South Kasai region of the Congo.

To Divorce 3 Wives

FORT LAUDERDALE, Fla. (AP)—A truck driver has filed a divorce action seeking to rid himself of three wives he acquired in 7½ years.

Frederick Kennedy, 40, brought the suit Monday. He is scheduled to be sentenced Feb. 3 on a bigamy confession.

What To Carry With Soup

Many folks who carry lunch to work or school each day, find that hot soup is especially welcome during the winter months. Soup in itself is so readily available and in such variety that anyone can carry his or her favorite in a thermos to keep it hot and good until lunchtime.

However, to get additional pleasure from soup with the carried meal, take something with it in the lunch box that will be crisp and add that certain something to the meal. Package some of the following in the clear, new economy lunch-box wrap to keep them protected. Then when lunch time is at hand, open the package of garnish to eat with or on the soup.

1. Bean Soup.....Croutons
2. Pea Soup.....Popcorn
3. Corn Chowder.....Crumbled, Crisp Cooked Bacon
4. Vegetable Soup.....Corn Chips
5. Mushroom Soup.....Pretzel Sticks
6. Clam Chowder.....Cheese Sticks

This list could go on but perhaps the ones given here will spark other ideas. Be sure, though, to wrap the garnishes. New lunch-box wrap does this job very well.

Says Tribute Just Rates One Star

Television In Review
By FRED DANZIG

United Press International

NEW YORK (UPI)—The salute that NBC-TV tossed to a five-star patriot Tuesday night rates just one star in my table of organization.

Titled, "Tribute to a Patriot," the full-hour special set out to honor President Dwight D. Eisenhower. As a celluloid scrap book of familiar mementoes culled from a life that is filled with achievement, the program served its purpose nicely. Ah, but what it might have been...

James Stewart, the narrator, began at the beginning and took us right to the present. In some broad steps he introduced us to a number of the President's boyhood pals, teachers and Army colleagues.

Something Missing

The program moved rapidly through the "Crusade in Europe," Columbia University, NATO, and the presidency. The final quarter-hour was devoted to formal tributes by various world leaders, news secretaries James Hagerty, Vice President Nixon and President-elect Kennedy.

Chet Hagan's script was accompanied by newsreel clips, videotape, still photographs and recordings. There were two musical interludes, both supplied by the West Point Glee Club.

What was missing? Let's say too much of the hour was predictable, familiar and uninspired. Too many of the tributes were too formal, filled with language usually reserved for letters which accept the resignation of the firm's most important and honored executive.

More Warmth Needed

A keener feeling for the little vignettes that reveal the warmth of a human personality was needed in this program. To be sure, there were brief glimpses of what—the tribute could have been. NBC's Merrill Mueller, for example, in recalling Gen. Eisenhower's mood on the eve of D-Day, gave the program a badly-needed lift. Capt. Harry Butcher and Gen. James Van Fleet also put some spirit into the otherwise cool proceedings.

The program should have pulled in some D-Day GI's, some British Tommies who encountered the general during the campaign in the ITO. It should have had contributions from Eisenhower's brothers, his wife, his son, his grandchildren. It should have offered brief comments by unknown Americans as well as the VIP's who have had contact with

cars to Russellville when they visited for the holidays. They stopped for gas at a service station in North Little Rock.

West pulled his car in first and told the attendant to "fill 'er up." Then, noting that his wife had pulled her car in behind him, he added, "While you're at it, fill up that other car with gas, too. That woman's been following me all the way from Jackson, Miss."

Friars' Club Honors Gary Cooper

By BOB THOMAS
AP Movie-TV Writer

HOLLYWOOD (AP)—What has made Gary Cooper outlast all other movie stars?

A lot of famous names grappled with that question this week with only fair results. The occasion was the Friars' Club annual money-raising banquet. This year the funnymen chose to honor not one of their own but durable, unchanging Cooper.

It was a good idea. To often Hollywood waits until the obits to pay tribute to its greats.

The tributes ranged from the awful to the eloquent. In the former class was a parody sung by Tony Martin. "The most beautiful man in the world." In the latter were Carl Sandburg's words about Cooper: "A tradition while he's living."

Audrey Hepburn tried verse: "A Gary Cooper is very rare—there is only one—and there will never be another under the sun." Sam Goldwyn observed, "Gary doesn't say very much, but what he says make a helluva lot of sense."

Others played with the star's "yup"ism. Said Henry Ford II: "He was in talking pictures five years before anyone realized he could talk."

Milton Berle, in a smashing monologue called him "Randolph Scott with novocain lips." Jack Benny, George Jessel, George Burns, Art Linkletter and J. W. Warner also played the comic theme with mixed results.

Cooper observed that since his start in films 35 years ago "a lot of celluloid has flowed under the bridge—and a lot of it is showing up on the late, late show."

Then he told the crowd at the Beverly Hilton International Ballroom: "I want to thank each and every one of you for coming here tonight. Never has so much fuss been made by so many over so little. The only achievement I am really proud of is the friends I have made in the community."

Chance Discovered Torso in Well

NEW ORLEANS (AP)—Mrs. Lee Roy Hill said today her chance leasing of a vacant Arkansas farm led to the discovery of the butcher slaying of E. B. MacDonald, a wealthy farmer and retired Marine Corps officer.

Mrs. Hill, in a telephone interview from her home in Mena, Ark., to the New Orleans States-Item, said she saw "something floating in the well" of the farm shortly after she moved in with her children.

"I almost fainted when they told me what it was," she said.

She had discovered a portion of a body identified as that of the 73-year-old MacDonald, whose wife is being held at Covington, La., on a murder charge.

Mrs. MacDonald, 49, moved to Covington last month after reporting her husband missing. Investigators said she admitted disposing of parts of the body, but denied killing her husband.

A diver retrieved the upper half of a man's body from the well on the farm, Mrs. Hill said. The arms were missing and the lower torso was sunk deep in the well.

Ham Operator May Be Involved

NEW YORK (AP)—Did a ham radio operator unknowingly play a part in the Dec. 16 airliner collision over New York City?

The possibility was raised Tuesday at a Civil Aeronautics Board inquiry into the disaster which killed 134 persons.

Edward Lowe, a CAB air safety investigator, said it was possible that an amateur radio operator working near the Colts Neck, N.J., radio navigational transmitter may have interfered with the signal.

He said the CAB planned to ask the Federal Communications Commission for help in the inquiry.

The Colts Neck transmitter, near Red Bank, is one of three radio stations which pilots use to establish navigational fixes at the "Preston" holding area over New Jersey. The ill-fated United Air Lines DC8 jet was supposed to circle "Preston" while waiting for instructions to land at Idlewild Airport.

Instead, it shot past "Preston" at 504 m.p.h. and rammed into a Trans World Airlines four-engine Constellation, killing 128 in both planes and 6 on the ground in Brooklyn.

High Silk Hat Seems Questionable

WASHINGTON (AP)—Will a voter look down his nose at a senator who wears a high silk hat? More to the point, will the fancy headgear cost the senator votes on election day?

Republican senators will have to decide for themselves and then choose before inauguration day. The party isn't going to advise them.

The crisis stems from an indication by the inaugural committee that distinguished guests are expected to wear formal attire.

A GOP conference pondered the situation Tuesday and decided to take no stand as a group.

"We decided to let every man decide for himself what to wear on the occasion," said Sen. Everett M. Dirksen of Illinois, the Senate Republican leader.

"There may be some who will wear formal or semiformal attire such as striped trousers and short coats."

Another Republican senator, George D. Aiken of Vermont, takes a dim view of formal attire, particularly when voters are looking on.

Aiken recalled that he wore a top hat, striped pants and a cut-away coat at a reception in Canada in the 1930s for the then king and Queen of Britain.

"There were about 400 Vermonters there," Aiken said. "It almost nipped my political career in the bud."

Republicans at the conference, Aiken reported, held mostly to the point of view that John F. Kennedy's assumption of the presidency Jan. 20 "will be an inauguration and not a coronation and we'll wear business suits."

The huge television antenna atop the Empire State Building, which is used by all of New York City's seven tv stations, transmits to a four-state area in which 15 million people reside.

Fit For A King

Pork loin roast, baked slowly to bring out succulent flavors, served with candied yams, French-fried onion rings and light, bright beer or ale, is a meal fit for a king.

Add a gourmet touch to the onion rings by dipping them before frying in a beer-seasoned batter, a technique that's popular with chefs the world over.

Although the trend seems modern, a glance at early American history tells us that beer and ale were the customary mealtime drinks here then, just as they were in England and Europe. In cookery, beer and ale are interchangeable and add lightness and flavor.

Roast Loin of Pork

Wipe one 6-pound rib half pork loin with a clean, damp cloth. Season with salt and pepper. Place roast, fat side up, on a rack in an open roasting pan. Do not add water, do not cover, do not baste. To accurately determine doneness, use a meat thermometer. Insert it carefully through outside fat into center of thickest muscle and do not allow bulb to rest on bone or fat. Roast in a pre-heated slow oven (325°F.) 35 to 40 minutes per pound or until meat thermometer registers 185°F. Yield: 6 servings, 2 rib slices per person.

Onion Rings, Chef's Style

2 eggs, separated 1/2 teaspoon salt
3/4 cup beer or ale 1 teaspoon paprika
1/4 teaspoon Tabasco 2 tablespoons melted butter
1 cup sifted all-purpose flour 3 large mild sweet onions, sliced into rings

Beat egg yolks until light; gradually stir in beer and Tabasco. Sift in flour, salt and paprika; mix well. Stir in butter. Beat egg whites until stiff, but not dry; fold into batter. Dip onion rings a few at a time into batter. Heat deep fat with basket in place to 370°F. Add onion rings, a few at a time to deep fat; cook 2 to 3 minutes. If desired, fry onions ahead and reheat in a moderately hot oven (400°F.) after pork roast is removed from oven.

Kennedy Getting Many New Ideas

By JAMES MARLOW
Associated Press News Analyst

WASHINGTON (AP)—It's raining recommendations.

President-elect John F. Kennedy, during the campaign and after his election, wanted ideas on how to do better for the government and the people. He wanted them before he was sworn in Jan. 20.

So he appointed study groups which went under various names—task force, committee, study panel—to look into the problems assigned them and come up with proposals.

They're coming in now: recommendations which range from reorganizing the Defense Department to sending a peace corps of young Americans to newly independent Asian and African countries as technicians.

This is a big advantage for Kennedy. It gives him a head start in putting together programs he can submit to Congress in a hurry.

President Eisenhower was prodigious in creating commissions but he waited until he moved into the White House. The long delay in making some of the studies simply delayed action on the problems. The last Eisenhower commission—on national goals—reported Dec. 1.

Right now in Washington 2,500 people from all over the country are taking part in a conference on the problems of aging. Congress wanted this one and Eisenhower had to call it.

When there's a conference this size on any problem there should be no surprise if the result is hasty.

The unknown quantity about the recommendations being given Kennedy is what he will do with them when he gets into the White House.

For instance: A committee headed by Sen. Stuart Symington, D-Mo., was the first group to report and called for a reorganization of the Defense Department. Symington, under President Truman, had been secretary of the air force and knows the inner workings of the Pentagon. But Kennedy was careful not to give the Symington report a hearty endorsement.

He hadn't yet selected his secretary of defense, so he didn't know how he'd feel about it. He finally made Robert S. McNamara secretary, and McNamara so far has exhibited no enthusiasm for Symington's ideas.

On the other hand Kennedy appointed a one-man committee, James M. Landis, a former Harvard Law School dean, to look into the government's regulatory agencies and make suggestions on improving them.

Those agencies—such as the Interstate Commerce Commission, the Federal Power Commission, the Federal Communications Commission—have controls in most areas of American life.

Landis, who had once worked among them himself—he is a former chairman of the Securities and Exchange Commission—turned in a blistering criticism on the operations of those government agencies with proposal for improving them.

Kennedy promptly assigned

Taking A Taste Treat

Youngsters take to citrus fruits—especially the ones they can peel easily and eat without adult help, like tangerines, tangelos and Temple oranges. These tempters are in good supply now from Florida so keep the fruit bowl filled and within easy reach of young and old alike.

These three delightful Florida fruits have several things in common. All peel and section neatly for out-of-hand eating and yet can double in fruit cups and salads if desired. All are low in seeds but high in flavor and vitamin C, the daily-needed vitamin especially important this time of year to help ward off winter weariness and respiratory ailments. You will find them in local markets from now through March, just when their bright orange color and refreshing taste is so welcome.

The aromatic tangerine is probably the most familiar of the three, long known as the kid-glove fruit because of the way it slips out of its peel. Tangelos are a cross between a tangerine and a grapefruit, combining the best features of each and resembling an orange. The Temple is a thin-skinned eating orange with flavor similar to a tangerine. All are sweet enough to satisfy a child's sweet-tooth and yet nutritionally so good!

Landis the job of overhauling them. This won't be easy since Congress will have a strong say in any change.

The latest study group's report on welfare came Tuesday with recommendations which suggested a broad expansion of Social Security, public assistance, unemployment pay, medical education, and immediate passage by Congress of a program Kennedy himself unsuccessfully backed last year in the Senate—a medical care program for the aged tied to Social Security.

This very subject is under discussion now at Eisenhower's conference on the aging. Other Kennedy groups have given him recommendations on distressed areas, the nation's economy, education, housing and the peace corps.

But the quick work of these study groups will let Kennedy lay down programs to Congress faster than Eisenhower did when he took over. Eisenhower, starting out, had his hands full with Joseph McCarthy and the Korean War.

Sweden to Build New Submarines

STOCKHOLM (AP)—Neutral Sweden will build six new long-range submarines and spend \$10.4 million on guided missiles in 1961-62 under a record \$3.3-billion budget submitted today to Parliament.

Only about 10 per cent of the food sold in the United States each year is canned.

Bill Would Bring End to Quorum Court

LITTLE ROCK (AP)—The Arkansas House today received a proposed constitutional amendment which would reorganize the system of county government in the state.

The amendment proposed by Sevier Rep. George Davis would abolish the quorum court as the county's legislative body and would create a five-member board to handle legislative functions.

The chief executive of the county would remain the county judge, but his judicial functions would be transferred to the circuit courts.

Members of the governmental board would be elected to staggered five-year terms. The county judge would be elected for two years as at present.

Another proposed amendment would give the counties authority to levy a five-mill road tax. The present constitutional limit on such taxes is three mills. This amendment was introduced by Lincoln Rep. G. D. Smith Jr.

Another proposed amendment, introduced Tuesday, would fix the three-mill road levy as a permanent tax and permit an additional seven-mill levy by biennial votes of the people.

Bill Would Cut State Income Tax

LITTLE ROCK (AP)—A bill to reduce state income tax rates was introduced in the Arkansas House today by Rep. Eugene (Bud) Canada of Bartland County. Canada's bill would place the tax at one per cent of the first \$4,000 of net income, two per cent on the second \$4,000, three per cent on the third \$4,000, four per cent on the next \$13,000 and five per cent on all income in excess of \$25,000.

Present law sets a rate of one per cent on the first \$3,000, two per cent on the next \$3,000, three per cent on the third \$5,000, four per cent on the next \$14,000 and five per cent on income above \$25,000.

Canada announced before the legislature convened that he felt state revenue surpluses should be used to offset a tax decrease.

Another bill currently before the House would give taxpayers a \$600 exemption for federal income taxes paid when they compute their income for state tax purposes.

Japs to Wish Kennedy Well

TOKYO (AP)—Seventeen Japanese whose ship almost killed John F. Kennedy in 1943 gather here this weekend to draft a cable congratulating him on his inauguration Jan. 20 as U.S. president. They are the survivors of the Amagiri, the Japanese destroyer that rammed and sank Kennedy's torpedo boat in the Solomons. Kennedy received a severe back injury but swam to safety.

The Amagiri's former skipper, Kohei Hanami, 51, and now a farmer, said Kennedy's election brought so much attention to the incident that the destroyer's survivors have formed a club.

Handsome Meringue Topping For Raisin Sour Cream Pie

A golden tipped fluffy meringue crowns this handsome pie filled with the taste surprise of flavorful California raisins. The elegant sour cream filling is also accented with chopped walnuts and fragrant spices. Cook the filling over low heat or hot water and stir constantly so it comes out satiny smooth.

Raisin Sour Cream Meringue Pie

1 cup sugar
2 tablespoons cornstarch
1/4 teaspoon salt
1/2 teaspoon cinnamon
1/2 teaspoon nutmeg
1/2 teaspoon cloves
2 eggs, separated

1 cup sour cream
1 cup dark or golden raisins
1 1/2 teaspoons lemon juice
1/2 cup chopped walnuts
1 baked 9-inch pastry shell
1/4 teaspoon cream of tartar

Combine 3/4 cup sugar, cornstarch, salt and spices. Blend in egg yolks. Add sour cream, raisins and lemon juice. Cook over hot water until thick stirring constantly. Cool. Add walnuts and pour into baked pastry shell. Top with meringue. Bake in moderate oven (350 degrees F.) about 15 to 18 minutes until delicately browned. To make meringue, beat egg whites until frothy. Add cream of tartar and continue beating until peaks begin to form. Gradually beat in remaining 1/4 cup sugar, beating until stiff and glossy. Makes one 9-inch pie.

Kennedy Has Filled State Dept. Staff

By MARVIN L. ARROWSMITH

PALM BEACH, Fla. (AP)—President-elect John F. Kennedy today completed the State Department high command with the appointment of a close political associate of Adlai E. Stevenson as undersecretary of state for economic affairs.

Kennedy, back at the seaside home of his parents after a week of conferences in New York, Boston and Washington, gave the foreign policy job to George W. Ball, 51, a Democrat who has a background of service in government and now is a Washington attorney specializing in international law. Ball long has been a chief political adviser to Stevenson, the Democratic presidential nominee in 1952 and 1956, recently picked by Kennedy to be ambassador to the United Nations.

Selection of Ball was announced by the president-elect as he turned to concentrated work on his Jan. 20 inaugural address. The \$20,000 a year job as undersecretary for economic affairs, Ball will be the No. 3 man in the State Department.

Shortly before flying to Palm Beach from Washington Tuesday night, Kennedy also completed the top echelon of the Treasury Department. He named Henry H. Fowler, also a Washington lawyer who has served in a number of government positions, as undersecretary of the treasury.

Fowler was picked by Kennedy after consultation with secretary of the treasury-designate Douglas Dillon, now undersecretary of state in the outgoing Eisenhower administration. Robert V. Ross, New York banker, has been named Treasury undersecretary for monetary affairs.

Kennedy also announced the appointment of Angier Biddle Duke as chief of protocol in the new administration. Duke, 45, formerly was a Foreign Service officer in Argentina and Spain, and now is president of the Council on Inter-American Affairs, a private organization, and a member of the New York City Executive Committee for the United Nations.

Kennedy arrived in Washington from New York in mid-afternoon Tuesday and for six hours engaged in a series of business conferences.

Fulbright Asked for Transfer

WASHINGTON (AP)—Sen. J. W. Fulbright, D-Ark., said Tuesday he asked for a transfer from the Senate Banking Committee to the Finance Committee because of the importance of tariff legislation to the export of Arkansas farm commodities.

Fulbright added that there is less significance for Arkansas in matters now handled by the Banking Committee, which he headed before becoming chairman of the Senate Foreign Relations Committee. He retains his chairmanship.

There had been reports that Fulbright's switch in committee assignments might be a move to help the program of President-elect John F. Kennedy, whom Fulbright supported, through the Senate.

Leftist on Tour

BELGRADE, Yugoslavia (AP)—Sekou Toure, leftist president of Guinea, today continued a tour of Communist East Europe. After six days with President Tito, he flew to Sofia, capital of Bulgaria.

Most new railroad passenger cars are 85 feet long, but on some lines they vary from 60 to 88 feet.

Cranberry-Grape Dessert Salad

Holiday time is cranberry time with most American families. In the past few years the making and serving of several delicious Cranberry Souffle Salads during the Thanksgiving to New Year season has become almost as traditional as the little red berries themselves. Using the fast soufflé method you can have the following beautiful dessert salad ready to serve in an hour and a half from starting time.

1 pkg. lemon flavored gelatin
1 cup hot water
1/2 cup real mayonnaise
1 tablespoon lemon juice

1 1-lb. can whole cranberry sauce
1 cup halved green grapes

Dissolve gelatin in hot water. Add real mayonnaise and lemon juice and 1/2 cup of cranberry sauce. Beat ingredients with a rotary beater. Pour into refrigerator tray and place in freezing compartment for 20 minutes, or until firm about one inch from edge but soft in center. Turn mixture into bowl and whip with rotary beater until fluffy. Fold in remaining cranberry sauce and grapes. Pour into one-quart mold. Chill until firm (about one hour). Unmold and garnish with salad greens. Serve with dressing made by combining 1/2 heavy cream (whipped) and 1/2 cup real mayonnaise. Yield: 6 servings.

Youth Questioned About Robbery

FAYETTEVILLE, Ark. (AP)—Officers were questioning a 14-year-old boy in connection with an \$11,034 jewelry store robbery from which all but \$50 worth of loot has been recovered.

Sheriff Hollis Spencer indicated Tuesday that the youth would be turned over to juvenile authorities.

Spencer said most of the nearly \$600 in cash and all but about \$50 worth of jewelry taken in the Saturday night robbery here was recovered.

Bare Backs Bring Chills to Writers

By JOY MILLER
AP Women's Editor

NEW YORK (AP)—The sight of all those bare backs slouching up and down the ramp in gallant display of new spring clothes was enough to send sympathetic chills coursing along the spines of more than one visiting fashion writer.

Outside, the winds howled and the temperature hovered in the 20s. Inside the Hotel Pierre Ballroom Monday more than 200 of the nation's fashion press watched the first afternoon showing of the New York Couture group's spring collections.

High in front and low in back dominated the three collections of Edward Abbott, Luis Estevez and Marquise.

For Abbott, Wilson Folmar had designed necklines with deep cowls in back. Often the cowls hung below bare backs.

Brief jackets or overblouses peeled off of barebacked cocktail dresses with the uplift built in, as in bathing suits. Simple silk linen sheaths were cut high in front, low in back. A high cross drape at the neck with low back appeared repeatedly.

Except for an occasional overblouse jacket, waistlines were in natural position. Skirts were slim in silk or linen, floatingly full in chiffon or french crepe.

Estevez paid tribute to the jet age with a many-layered costume designed to help the air passenger get circumvent excess baggage charges. You don't pack your wardrobe; you put it all on your back and strip it off as necessary: coat, then jacket, then bare-topped black dress.

For Marquise, Philippe Tournaire concentrated on necks, wrappings and skirts. He put waist-wrapping print blouses under relaxed collarless jackets that stood away from the body at the neck and waist. The skirts were often boxpleated or flared. The backs were bare, or cowl or sported handkerchief collars.

The Marquise clothes ended the first five days of couture showings—with at least 25 collections left.

2 Electrocuted Accidentally

PINE BLUFF, Ark. (AP)—Virgil Johnson and Burgess T. Smith, both Negroes, were accidentally electrocuted Tuesday when a crane came in contact with a power line at the Pine Bluff Arsenal and transmitted the current to a length of rail they were guiding into position on a trestle.

A third Negro, J. D. Smith, 48, was hospitalized with burns on his hands and feet.

All three were Pine Bluff residents.

The Arsenal commander, Col. John M. Palmer, said the boom of the crane snapped a 7,620-volt power line and the current was transmitted to the section of rail

TIME FOR VIOLENCE

CHAPTER XXVII

Jones hesitated, but in the end

his fear for his life overcame his

mammoth egoism. He broke.

"All right, Murphy. Do what he

says." And having made the first

move, he glanced again at that

big black hole aimed at his heart,

and became anxious. "Don't

make any wrong move," he said.

"He's crazy but he'll do it: I see

it in his eyes. Drop your gun and

go outside."

Murphy's face turned dark in

the light of the coal-oil lamp. The

cords knotted in his thick neck;

obviously Murphy had had his

own ideas about the woman. "The

next time I meet you," he said

harshly, "it'll be on different

terms."

"Yes," said Bart. "They might

be even, for a change."

Murphy's eyes were filled with

the rage of frustrated lust—but

he was not the one who had the

.44 aimed at his heart. He

dropped both of his six-shooters

on the table, and Bart permitted

himself a full breath. He was

standing with his back to the

door, and actually he had a good

chance to get two or three of

them, but that was not enough,

and death. But Jones went out

side, and it was all over for the

time being.

He crouched in the open for a

second and saw two men walk-

ing toward the horses. The moon

was coming up. He got a dipper-

ful of water and went back to

Catherine. He heard her faint

voice: "Bart?"

"Yes, Don't worry. We'll head

out for the JA until this is over."

Only Jones was left.

Bart breathed a little more

easily. "All right, Jones. You

have almost got a reprieve from

a bullet. If you make a move

now, it's far too late."

Jones tossed his guns to the

table, and Bart began to feel

weak inside. One wrong move—

one man who might suddenly

have decided it was a good

chance to get rid of Jones—and

for a few seconds fire would blaze

until the cabin would be as light

as day; lead would smash its

way into every corner; and after-

ward the acid smoke would fill

the room and for a few brief mo-

ments hide the holocaust of blood

and death. But Jones went out

side, and it was all over for the

time being.

He crouched in the open for a

Bart breathed a little more

easily. "All right, Jones. You

have almost got a reprieve from

a bullet. If you make a move

now, it's far too late."

Jones tossed his guns to the

table, and Bart began to feel

weak inside. One wrong move—

one man who might suddenly

have decided it was a good

chance to get rid of Jones—and

for a few seconds fire would blaze

until the cabin would be as light

as day; lead would smash its

way into every corner; and after-

ward the acid smoke would fill

the room and for a few brief mo-

ments hide the holocaust of blood

and death. But Jones went out

side, and it was all over for the

time being.

He crouched in the open for a

second and saw two men walk-

ing toward the horses. The moon

was coming up. He got a dipper-

ful of water and went back to

Catherine. He heard her faint

voice: "Bart?"

"Yes, Don't worry. We'll head

out for the JA until this is over."

Only Jones was left.

Bart breathed a little more

easily. "All right, Jones. You

have almost got a reprieve from

a bullet. If you make a move

now, it's far too late."

Good, Bad New Along Wall Street

By SAM DAWSON
AP Business News Analyst

NEW YORK (AP)—Wall Street is finding plenty of good news among the bad these days as the profit reports roll in.

The big drop in profit margins that depressed the stock market six months ago seems to have been halted. Fourth-quarter earnings mostly held at third-quarter levels, and many companies say they expect the first three months of 1961 to show the same leveling trend.

Corporations announcing profit gains in 1960 over 1959 outnumber by a slim margin those reporting declines.

And in the reports Wall Street is finding still further proof of how uneven the business slowdown has been—many industries trudging steadily upward as others lagged. And also showing up is further evidence of a greater role for service industries, which mostly are advancing while the manufacturing ones often are ailing.

Among the first 118 nonfinancial corporations to report on their fiscal 1960 earnings, 64 show gains over the previous year and 54 report declines.

The banks and other financial institutions mostly report record or near record earnings. The railroads, however, are trailing badly. The utilities are expected to show modest gains when their full year reports are in. The one giant to report so far, American Telephone & Telegraph, shows an increase of 9.5 per cent in the 12 months ending Nov. 30.

The reports are getting special scrutiny today, not only by the stock market but also by government agencies trying to gauge their tax collections, and by business planners looking for any clue as to 1961 prospects.

Wall Street is taking comfort from the many corporations who have braked the slide in profit margins, which was sharp in the spring and early summer. Many firms have been able to cut costs, such as inventory carrying charges. Others have pushed the more popular products or services in their diversified activities.

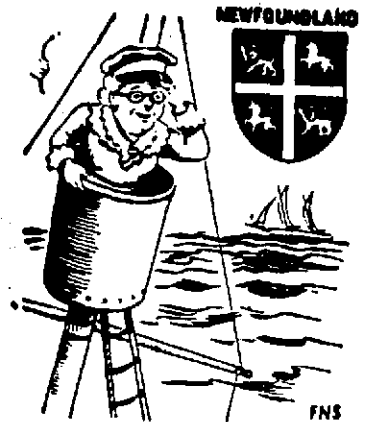

And in spite of some dire predictions about the months ahead, more business executives are saying that they expect a pickup in new orders soon, with output gains to follow, and also better profits.

But they admit that in the current three months, profits may be level with the end of 1960 but still look bad against the many records set early in that year.

Adding it up, if business is slower today than many felt, the net results are still pretty encouraging.

Mountain climber Sir Edmund Hillary trained for his conquest of Mount Everest by climbing the Southern Alps of New Zealand.

Grandmother's Apple Crow's Nest Dessert

The sea is so much a part of the life of everybody in Newfoundland, that its influence even extends to desserts.

"Not that we use our fish in our dessert recipes," Mrs. Michael Tobin hastens to add, "but we do salute the ocean that surrounds our 'Big Island' when we name many of our desserts."

The favorite Newfoundland dessert of Mrs. Tobin, who is the wife of Capt. Michael Tobin, Master of the M.V. "William Carson" which operates daily across Cabot Strait between Port Aux Basques, Newfoundland, and North Sydney, Nova Scotia, is "Grandmother's Apple Crow's Nest." The "Crow's Nest" part of the name reflects the influence of the Sea on Newfoundlanders.

Here is how Mrs. Tobin makes Grandmother's Apple Crow's Nest:
4 medium sized tart apples
1 tablespoon butter
1/2 cup granulated sugar
1 teaspoon cinnamon

Slice apples into a greased 9-inch or 10-inch pie plate; dot with butter. Combine sugar and cinnamon; sprinkle 2 tablespoons of this over the apples and set aside the rest.

1 cup sifted flour
2 teaspoons baking powder
1/2 teaspoon salt
1/2 cup milk

Sift together flour, baking powder, salt and sugar. Cut in shortening. Add enough milk to make a soft dough. Pat out to desired size and cover apple mixture with the dough.

Bake at 400° F. for 25 to 30 minutes or until apples are tender. When baked, turn out upside down on a plate and work remaining sugar and cinnamon mixture into apples with a fork.

Serve hot with whipped cream, garnished with a dash of cinnamon and a few finely chopped nuts.
